With more than 950 product ratings plus exclusive brand repair histories for many product categories, the experts identify the best items in many areas Super Natural Home Beth Greer, 2009-03-17 An invaluable book filled with practical solutions on how to eat healthier, breathe cleaner air, and transform your home into a safe haven free from toxic chemicals. Deepak Chopra: From eliminating chemicals in your food and water to choosing clean beauty products, let the Super Natural Mom teach you everything you need to know to live clean in a toxic world. Beth Greer had been living what she considered a healthy lifestyle when a medical crisis prompted her to reevaluate everything from the food she ate to the personal care products she used and the environment she lived in. Now in *Super Natural Home*, she shows the alarming extent of the dangerous chemicals we unwittingly expose ourselves to every day. As she did in her own life, she invites readers to put their lives under a microscope. The straightforward, solutions-based approach of *Super Natural Home* is complete with quizzes to help identify and correct potential toxic hot zones. It speaks directly to what environment-conscious consumers really need: ultra-practical advice on what they can do right now to limit exposure to the poisons that are endangering them and their children. At a time when impeccable scientific research points to an alarming correlation between common chemical compounds and cancers, allergies, psychiatric disorders, and birth defects among other serious health concerns, *Super Natural Home* gives consumers the tools to start protecting themselves and their families. Praise for *Super Natural Home*: Beth Greer's clear, comprehensive, and practical book is a godsend for anyone living in America who wants to make a real impact on reducing the pollutions and poisons that are ubiquitous in our surroundings. She's full of good humor yet will help you live a far cleaner and more wholesome life than you might have thought possible. Hats off to her! Read this book. Peter Coyote, actor and author. Making simple changes can often have a profound impact not only on you and your family's health but also on the planet. Beth Greer has done a fabulous job of creating a practical resource that will let you know what these changes are and how to easily implement them.
