Contemporary Corporate Finance International Edition 12th Ed

David Kirk

Contemporary Corporate Finance International Edition 12th Ed:

Sustainable Business Management Dietmar Ernst,Ulrich Sailer,Robert Gabriel,2023-03-27 This comprehensive textbook gives an insight into all relevant aspects of business administration as they are all subject to fundamental changes due to the transformation to a more sustainable economy It starts with the background on sustainability and the scientific classification of sustainable business administration Next it sheds light on the boundary conditions regarding environmental economics and social responsibility The next section deals with management functions from strategy and international management to change management legal implications and HR management The last part focuses on value creation Here the authors shed light on the influence of sustainability in all areas of the corporate value chain from procurement on to production and ending with marketing and sales Also addressed are expert functions such as environmental management or sustainable product design which are essential in driving sustainable innovation in a dynamically changing environment

Contemporary Issues in Islamic Law, Economics and Finance Flavia Cortelezzi,Alessandro Ferrari,2022-08-12 This book explores how Islam can impact the structures and performance of firms financial institutions and capital markets across a range of countries and industries The Islamic finance industry represents an important reality not only because of the oil wealth of the Gulf states which have fueled demand for such financial services but also for an increased demand from a growing Muslim population in the West that aspires to express a full and all inclusive religious identity The increased demand for Muslim financial institutions has prompted Western non Islamic firms to begin providing these services in an interesting effort of acculturation to the new plural scenario By adopting a multidisciplinary approach which also takes into account the theological legal and geopolitical framework the book offers a comprehensive picture of Islamic financial tools contracts and business opportunities Drawing on different fields of expertise it deals with various themes such as the theological roots of Islamic economics and finance and its geopolitical impact the EU policy of cooperation with MENA and GCC countries the instruments of Islamic finance its legal principle and ability to become an instrument for enhancing business opportunities the functioning of Islamic banks the development of capital markets within a financial model influenced by religious constraints and finally the new relationships of this religious financial system with Western legal systems The book thus provides a complete and extensive overview of the practice of Islamic finance through the lenses offered by studies of economics and management Providing a careful analysis and an integrated framework of geo economic and political issues the book will be a valuable resource for academics researchers and professionals in International Business Entrepreneurship and Small Business Management Law and Religion and Intercultural Studies The British National Bibliography Arthur James Wells,2009 **International Books in Print** ,1990 **Bowker's Law Books and Serials in Print** ,1998 *Bulletin of the Public Affairs Information Service* Public Affairs Information Service,1927 Business Publication Advertising Source ,2006 A London Bibliography of the Social Sciences ,1931 Vols 1 4 include
