

The background of the entire image is a warm, golden-yellow color with a textured, slightly grainy appearance. Overlaid on this background are several steampunk-themed mechanical elements. In the upper left, there is a propeller-like structure with a central hub and several blades, some of which are slightly blurred as if in motion. To the right of the propeller, there are various gears, cogs, and mechanical linkages. In the lower right, a woman's face is shown in a close-up, looking directly at the viewer. She has dark hair and is holding her right index finger up to her lips in a 'shh' gesture. The overall aesthetic is that of a steampunk-themed book cover or movie poster.

**Balanced on the Blade's Edge** Lindsay Buroker, 2014-04-01 Colonel Ridge Zirkander isn't the model of military professionalism he has a tendency to say exactly what's on his mind and his record has enough demerits to wallpaper the hull of an airship but as the best fighter pilot in the Iskandian army he's used to a little leniency from his superiors Until he punches the wrong diplomat in the nose and finds himself issued new orders take command of a remote prison mine in the inhospitable Ice Blades Mountains Ridge has never been in charge of anything larger than a flier squadron what's he supposed to do with a frozen fortress full of murderers and rapists Not to mention the strange woman who shows up right before he arrives Sardelle Terushan wakes from three hundred years in a mage stasis shelter only to realize that she is the last of the Referatu the sorcerers who once helped protect Iskandia from conquerors Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power Everyone Sardelle ever knew is dead and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain Further what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people Sardelle needs help to reach her soulblade her only link to her past and her last friend in the world Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust But lying isn't her specialty especially when the world has changed so much in the intervening centuries and if Colonel Zirkander figures out who she truly is he'll be duty bound to sentence her to the only acceptable punishment for sorcerers' death

**The Dragon Blood Collection, Books 1-3** Lindsay Buroker, 2014-12-01 A thousand years have passed since a dragon has been seen in the world Science and technology have replaced magic which has dwindled until it has become little more than an element of myth and legend There are those who still have dragon blood flowing through their veins distant descendants of the mighty creatures of old These rare humans have the power to cast magic the power to heal and the power to craft alchemical weapons capable of starting wars or ending them But they are feared for those powers and in recent centuries they have been hunted nearly to extinction The few remaining survivors must find a way to change how humanity perceives them or be lost to the world forever The Dragon Blood Collection includes three full length novels of action magic and romance *Balanced on the Blade's Edge* *Deathmaker* *Blood Charged* *Heritage of Power (The Complete Series, Books 1-5)* Lindsay Buroker, Dragons have returned to the world and they're wreaking havoc on human civilizations Only one man has the power to stop them Born an outcast who's never fit in Telryn Trip Yert has spent his entire life hiding a secret that could get him killed In a world where magic is forbidden the ancient blood of dragons flows through his veins Joined by a snarky sentient sword a band of equally snarky allies and the smart scholarly woman he longs to impress Trip must master his powers learn the secrets of his heritage and go on a quest to save mankind If he fails dragons may take over the world and enslave all of humanity This is the complete five novel Heritage of Power series full of adventure romance and fast paced page turning fun It includes 1
