

4 Fiction Writing Prompts

Are you at crossroads in the story you're writing, and are unsure of what direction to take? The following 4 fiction writing prompts will help:

A situation

She turned and stared. She had never seen that door there before. Slowly, she approached the door.

A scenario

Peter, a shy teenager, has to defend his best friend against false accusations made by a rich, unpleasant classmate. Peter hates confrontations, and is always hesitant to speak up. But his friend's reputation depends entirely on Peter now. Peter has less than twenty hours before his friend meets with the principal.

A character

A lonely woman who makes anonymous prank calls to her neighbours, secretly hoping to get caught.

A short dialogue

"How on earth did this happen again? Didn't you promise me you took care of it last time?"

Best Strategies For Fiction Writing Prompts:

365 Creative Writing Prompts T. M. Crane, 2017-06-20 This book has been written with the fiction writer in mind It teaches writers through writing each day of the year on a subject of their choice how to use description narrative and character development Each of the exercises is simple to follow and gives scope to the writer to follow their own style Writers are encouraged to use their imagination to enjoy the challenge of writing stories on given topics There is a good variety of subjects and much is speculative thus leaving the writer free to tackle the story in the manner he she wants although one section does encourage the use of first person narrative Through the different subjects writers are encouraged to use adjectives and to close their eyes and imagine the characters of their stories so that they can present them in full color and with atmosphere to readers Throughout the book different interests are covered and writers don t have to take the obvious route We encourage writers to take it a step further and conjure up their own ideas and make these come to life on the page As they progress they will learn about how to incorporate Descriptions Colors Words that sound alike Narrative Atmospheres Since each page allows writers the space to write out their story in journal format we would suggest that writers use a notebook to gather together ideas before writing thus having a direction for the story This is particularly relevant in Twist in the Tail stories which lead to a surprising conclusion Fiction strategy includes the following elements Character development using familiar people as models for their characters Twists and turns to surprise readers Excitement and tense drama The writing prompts give writers sufficient information to be able to come up with stories and the angle that they approach their story writing from should always be left to the writer as an individual choice The writing prompts help the writer to create atmosphere tension and twists and turns in their plot construction all of which are important to writers in the fiction area The book also contains popular genres such as erotica mystery and suspense murder romance and love and all of the styles that are currently being sought by publishing companies It s a good idea to practice because this highlights a writer s strengths and weaknesses and will usually dictate the kind of genre that a writer will choose as his trademark to success

Writing Strategies That Work Lori G. Wilfong, 2015-04-24 Learn the ten keys to effective writing instruction In this dynamic book bestselling author Lori G Wilfong takes you through today s best practices for teaching writing and how to implement them in the classroom She also points out practices that should be avoided helping you figure out how to update your teaching so that all students can reach success You ll discover how to Make sure students have enough work in a genre before you assign writing Develop thoughtful short writing prompts that are infinite and not finite Have students read and learn from master authors in the genre they are writing Create a writing community so that writing is not an isolated activity Use anchor charts and minilessons along with rubrics and checklists Implement revising strategies not just editing strategies taught in context Use conferencing to grow students as thoughtful reflective writers Let narratives be personal and creative focusing on details and imagery Let informational writing explore a topic creatively and in depth Let argument writing be
