[Spanking Her Curves 4 \(BBW Erotica Romance\)](#)

Alex Anders, 2013-10-25 SPANKING HER CURVES 4 is the latest release from international bestselling author Alex Anders and is for those who love short stories where full-figured women not only get their gorgeous guys but get a little spanking on the side. Full-figured beauty Theresa McGovern is the most talented employee at the fortune 500 company where she works but no one sees it except for one person; luckily that person is the billionaire consultant hired to find the next CEO. Called into his office, she makes a pact with him: do everything he says and he will transform her from marketing assistant to head of the company. What's the catch? His methods. They involve her bare rump up and his masculine hand down. Please note that this story contains very explicit descriptions of erotic and sexual situations written for extreme genital arousal which will lead to self-pleasure. Mature readers only.

Excerpt: Miss McGovern. Mr. Cortez said in a stern tone, "I expected better from you." She blinked and stammered, not knowing what she might say even if she could find the words. "Close the door," the consultant said, standing up. He was not dressed for outdoor exercise. Although his suit jacket was hanging on the back of the chair and his tie was loose, he was still dressed as if for the office. "Yes, sir," Theresa managed, pushing it shut behind her. "You didn't even speak up." Mr. Cortez chastised, removing his cufflinks and setting them down on the table. "You hung back and didn't say a word. Why are you here if you're not going to participate?" "I just was too nervous," she explained, knowing it was a pathetic excuse. She watched as he began methodically rolling up his shirt sleeves. "Nobody would have listened to me anyway. Is that what you think?" He put his hands on his hips a moment and shook his head. "You are mistaken, Miss McGovern. You must participate; you must speak up." He turned the chair to face her and sat. "Now it is time for your punishment. I understand," Theresa said. "What is it?" He gestured. "Come here and kneel down." Startled, Theresa hesitated. "What?" "Come over here and kneel down," the consultant repeated firmly. "You will lay across my lap." Now.
