Christian Coalition Voters Guide California:

Report United States. Congress. Senate,1998 **Investigation of Illegal Or Improper Activities in Connection with 1996 Federal Election Campaign** United States. Congress. Senate. Committee on Governmental Affairs,1998

Congressional Record United States. Congress,1998 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **God at the Grass Roots, 1996** Mark J. Rozell,Clyde Wilcox,1997 God at the Grass Roots 1996 is composed of entirely new and original essays that analyze the impact of the Christian Right in the 1996 national state and local elections The nation s leading scholars of religion and politics identify and illuminate numerous trends that have dramatically evolved since the landmark elections of 1994 More than simply a revised version of the popular God at the Grass Roots this fundamentally new edition examines the Christian Right s nationwide influence and the essays arrive at starkly different conclusions about America s most organized and observed political interest group This text will complement all courses on parties and elections and religion and politics **Advising California Nonprofit Corporations** ,2008 Christian Social Action ,1992

Campaign Reform Task Force on Campaign Reform,1998 The Minaret ,2002 The Real Story Behind Paycheck Protection ,1998 **The Religious Right and the 1994 Election** ,199? *The World* ,1999 *Social Justice* ,1996

The Nation ,1886 **Immigration** Susanne Jonas,Suzie Dod Thomas,1999 Public policy on immigration will be central to determining the form and character of U S society in the twenty first century The political Right has so far seized the initiative in defining the parameters of the discussion in effect limiting national debate to choosing between degrees of restrictionism Immigration A Civil Rights Issue for the Americas fills a gap in existing literature on immigration by providing a variety of perspectives among those who agree that immigrants have rights but may differ about how to assert those rights First published in the quarterly journal Social Justice in 1996 these essays are written by some of the most notable scholars in the area of immigration This volume will be valuable for classroom use and beyond because of the readable and accessible style of the articles The 13 contributions to this new book are refreshingly progressive interventions into the national debate on immigration They agree that divergent approaches exist among progressives and that such differences must be examined Calling upon that which is best in the democratic heritage of the U S this collection challenges the historic and ongoing civil rights struggle to adopt a global perspective that includes the civil rights of all immigrants whether documented or undocumented In addition the book takes on issues that are relevant to everyday realities in most communi ties throughout the U S Immigration A Civil Rights Issue for the Americas is ideal for courses on 20th century American history immigration sociology political science and other social sciences **Congressional Quarterly Weekly Report** ,1998 *Vote Smart*

Web Yellowpages ,1997 One stop shopping for political information on the World Wide Web Prayers in the Precincts John Clifford Green,Mark J. Rozell,Clyde Wilcox,2000 In the wake of the Clinton Lewinsky scandal the Christian Right expected major victories in the 1998 elections Instead many of its allies lost close contests and the movement was seen as a liability in some high profile campaigns In an in depth study of the Christian Right s role in these races leading scholars analyze the role of the movement in 14 key states from Maine to California and address speculations that the movement is fading from the American political scene Christian Right is most influential and it describes the movement s niche in some detail Although each campaign described had its unique characteristics the editors have drawn some broad conclusions about the 1998 elections While the movement was weak in the areas of candidate recruitment and fundraising the outcome may have also been related to external factors including a broader turnout of typically Democratic constituencies and the country s boredom with the scandal that conservatives had made the centrepiece of their campaign Despite the setbacks of 1998 the contributors argue the Christian Right continues to have an enormous influence on the political dialogue of the country

Covertaction Quarterly ,1992 **Keeping the Republic: 4th Edition Full** Christine Barbour,Gerald C. Wright,2008-12-23 *Encyclopedia of Religion in America* Charles H. Lippy,Peter W. Williams,2010 Explores the origins development influence and interrelations of the many faiths practiced in North America including major world religions and emerging sects cults and movements
