about how to invest large sums Divided into 3 parts the book provides information about the purpose and operation of the London markets the main types of investment available the risks and rewards the principle rules of investing and individual company shares Sheldon Jacobs' Guide to Successful No-load Fund Investing Sheldon Jacobs,1995 Mutual funds have become the preferred way for over 25 million families and individual investors to accumulate wealth and obtain income This step by step guide to building and managing a portfolio of the best no load funds is the preeminent authority on mutual fund investing The Savvy Investor's Guide to Avoiding Pitfalls, Frauds, and Scams H. Kent Baker,John R. Nofsinger,Vesa Puttonen,2020-01-21 There are two important things you must do to be a savvy investor make good investment decisions and avoid costly mistakes In the second book in The Savvy Investor s Guide series investing experts H Kent Baker John R Nofsinger and Vesa Puttonen come together to offer an insightful guide on avoiding those detrimental missteps *The Unofficial Guide to Investing* Lynn O'Shaughnessy,1998-12-16 With the recent fluctuations in the market people are becoming more aware of the need to become financially savvy Yet financial fears still abound fear of the market crashing fear of making poor investment choices fear of not being able to send their kids to college The Unofficial Guide to Investing demystifies the range of investment options available today and provides practical tools that will help readers make financially sound decisions For the financial bystander who is timid about investing and confused by the buzzwords this book explains where to begin how to start researching without feeling awkward how to find your comfort zone how to invest online how to plan for retirement and how to avoid getting burned It goes beyond just comparing mutual funds to relieving the anxiety surrounding the issue of investing *The AAI Journal* ,2006 **The Income Factory: An Investor's Guide to Consistent Lifetime Returns** Steven Bavaria,2020-02-28 The proven all weather investing strategy that delivers long term consistent returns The most common investing approach today one that values growth over all else can be ineffective and counterproductive for many investors not to mention needlessly stressful Now one of Seeking Alpha s most popular writers Steven Bavaria provides a groundbreaking alternative that will see you through all markets up down and sideways The Income Factory shows how to build an income stream that increases solidly and consistently a result of re investing and compounding the dividends And the best part This income stream actually grows faster during market downturns than during flat or rising market periods The Income Factory sheds light on Why high yield doesn t have to mean high risk How credit investments perform more predictably than equity investments Why junk is a misnomer and why high yield debt is safer than most of the stocks investors own How to grow your wealth steadily without following the markets obsessively Through Bavaria s strategy cash income increases year after year at a predictable rate For example a 9% yielding portfolio doubles and re doubles every 8 years If you re in for the long haul an Income Factory lets you achieve your goals and still sleep well at night Investing does not have to be about picking specific horses and hoping they win the race An Income Factory achieves its goals by essentially betting on horses to make it around the track and finish the race Those are easier bets to win and they
