Beguiled Enlightenment 2:

Beguiled Joanna Chambers, 2018-01-08 Two years after his last encounter with cynical nobleman Lord Murdo Balfour David Lauriston accidentally meets him again in the heart of Edinburgh King George IV is about to make his first visit to Edinburgh and Murdo has been sent North by his politician father to represent his aristocratic family at the celebrations David and Murdo's last parting was painful and on Murdo's part bitter but Murdo's feelings seem to have mellowed in the intervening years So much so that he suggests to David that they enjoy each other's company during Murdo's stay in the capital Despite his initial reservations David cannot put Murdo's proposal from his mind and soon find himself at Murdo's door and in his arms But other figures from David's past are converging on the city and as the pomp and ceremony of the King's visit unfolds around them David is drawn into a chain of events that will threaten everything his career his wellbeing and the fragile bond that despite David's best intentions is growing between him and Murdo *Provoked* Joanna Chambers, 2018-01-07 Tormented by his forbidden desires for other men and the painful memories of the childhood friend he once loved lawyer David Lauriston tries to maintain a celibate existence while he forges his reputation in Edinburgh's privileged legal world But then into his repressed and orderly life bursts Lord Murdo Balfour Cynical hedonistic and utterly unapologetic Murdo could not be less like David And as appalled as David is by Murdo's unrepentant self interest he cannot resist the man's sway Murdo tempts and provokes David in equal measure forcing him to acknowledge his physical desires But Murdo is not the only man distracting David from his work Euan MacLennan the brother of a convicted radical David once represented approaches David to beg him for help Euan is searching for the government agent who sent his brother to Australia on a convict ship and other radicals to the gallows Despite knowing it may damage his career David cannot turn Euan away As their search progresses it begins to look as though the trail may lead to none other than Lord Murdo Balfour and David has to wonder whether it's possible Murdo could be more than he seems Is he really just a bored aristocrat amusing himself at David's expense or could he be the agent provocateur responsible for the fate of Peter MacLennan and the other radicals **Beguiled** Joanna Chambers, 2014-12-02 A fleeting pleasure is the sweetest seduction Enlightenment Book 2 David Lauriston couldn't be less interested in King George IV's first visit to Edinburgh But with Faculty of Advocates members required to put on a minimal show of patriotism David makes an appointment with his tailor for a new set of clothes only to run into a man he hasn't seen for two long years Lord Murdo Balfour Much has changed since their bitter parting except their stormy attraction And when Murdo suggests they enjoy each other's company during his stay David finds himself agreeing After all it's only a temporary tryst Amidst the pomp and ceremony of the King's visit Murdo's seduction is more powerful than David ever imagined possible But when other figures from David's past show up he is drawn into a chain of events beyond his control Where his determination to help a friend will break his body threaten his career and put at risk the fragile tenderness he's found in Murdo's arms Warning Contains a lowborn Scottish lawyer with no love for the aristocracy
