Dominant Wives Society and Their Cuckold Husbands Candy Kross,2014-06-04 I parked the car in the airport parking lot and walked to the baggage claim and waited for Irene to come down the escalator Then my jaw dropped Someone who resembled my wife began to descend the escalator with all eyes on her A woman with fiery red hair cut into a short shoulder length bob with bangs dressed in a short red mini dress that was barely covering her ass wearing red high heels and black sunglasses graciously floated down to the baggage claim area But what I noticed the most was that her breasts were huge I m not too familiar with bra cup sizes but I think my wife wore a B cup What she had now easily had to be a DD cup size Her breasts bounced as she began to walk very sexily in her high heels As she approached me she was wearing a smile and then it faded Like she was remembering her old life or something and that I was still part of it somehow whether she wanted me to be or not She had a look of disdain on her face but she still kissed me on the cheek leaving a big pair of red lip marks on my cheek She had on dark red lipstick Irene never wore make up but she seemed to have an abundance of it on now Her eyelashes were long and thick she had on thick eyeliner that made her eyes look like cat eyes and a shadow of darkness over her eyelids She looked like she could be a model on the cover of a magazine She looked amazingly hot It was hard to believe that this was my tiny little mousy wife that I had been with for eleven years Hello darling She said as she kissed me and headed over to the baggage claim area Hello Irene I said How was your trip It was absolutely fabulous darling She was talking with some sort of a California accent or something like you see on those reality television shows that take place in Beverly Hills Well you definitely look different I said Do you like my new look She asked me spinning around for me to look at her at all angles
