Theology Journal This is the second issue of Volume 1 of Sem n torul The Sower The Emanuel Journal of Ministry and Biblical

Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel

University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought

Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the

Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the

Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre We are also

grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological

Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with

a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and

the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that

the celebration of the Lord s Supper is memorial in character It brings blessing through comprehending the risen Christ by

faith It also provides an opportunity for a visible act of proclamation of the Lord s death Theology Journal Papers Other

papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological

perspective made such an impact on missionary thinking in the nineteenth century The life and work of Rodger Williams is

examined until his work on Rhode Island One paper considers Alexander Carson s use of the theme of the atonement as an

apologetic tool The essence of Carson s argument is that the uniqueness of the Gospel with its focus on the atonement could

never have been worked out by the human mind demonstrates the truth of God s existence There are further papers on

Melchizedek with a particular emphasis of his relation to the pre-existent Christ. Plus a study of the doxologies of 1 Timothy setting out Paul's various reasons for including them in his letter. They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God. Moreover, they would deeply influence their lives and lead them to witness and truly worship him. A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation. I hope the Proceedings Papers on Mission and Theology will challenge all who read them. Of course, it should be understood that the views presented remain those of the contributors.
