A History of Iran (Large Print 16pt) Michael Axworthy, Senior Lecturer and Director of Centre for Persian and Iranian Studies Michael Axworthy, 2010-05 Although frequently vilified Iran is a nation of great intellectual variety and depth and one of the oldest continuing civilizations in the world Its political impact has been tremendous not only on its neighbors in the Middle East but also throughout the world From the time of the prophet Zoroaster to the powerful ancient Persian Empires to the revolution of 1979 the hostage crisis and the current standoff over Iran's nuclear ambitions Michael Axworthy vividly narrates the nation's rich history He explains clearly and carefully both the complex succession of dynasties that ruled ancient Iran and the surprising ethnic diversity of the modern country held together by a common culture With Iran again the focus of the world's attention A History of Iran is an essential guide to understanding this volatile nation **Stop**

Wondering If You'll Ever Meet Him (Large Print 16pt) Ryan And Jessica Cassaday, 2010-06-21 Dating and relationship experts Ryan Browning Cassaday and Jessica Cassaday Ph D have their fingers on the pulse of what has become a cultural epidemic Women just like you feel anxious frustrated and disappointed by the dating process But they do more than provide gimmicky solutions while telling you what's wrong with your dating life they teach you how to date by giving you a system that works How do you know it works As friends and longtime business partners Ryan and Jessica were dating other people when they began writing this book However during the time they were working on this project they began dating each other They followed their own system and fell more and more in love After a year of dating they were married in Ireland **Is the**

Holocaust Unique? (Large Print 16pt) Alan S. Rosenbaum, 2010-06 In essays written specifically for this volume distinguished contributors assess highly charged and fundamental questions about the Holocaust Is it unique How can it be compared with other instances of genocide What constitutes genocide and how should the international community respond On one side of the dispute are those who fear that if the Holocaust is seen as the worst case of genocide ever its character will diminish the sufferings of other persecuted groups On the other side are those who argue that unless the Holocaust's uniqueness is established the inevitable tendency will be to diminish its abiding significance The editor's introductions provide the contextual considerations for understanding this multidimensional dispute and suggest that there are universal lessons to be learned from studying the Holocaust The third edition brings this volume up to date and includes new readings on the Cambodian and Rwandan genocides common themes in genocide ideologies and Iran's reaction to the Holocaust In a world where genocide persists and the global community continues to struggle with the implications of international crime prosecution justice atonement reparation and healing the issues addressed in this book are as relevant as ever **The Best**
