Blasted Blodyn Myfanwy Johns, 2009-04-30 Blodyn was not on the tourist s map in fact not many people had heard of the place at all and that is how the citizens of this mountain town liked it In fact they had a terrible fear of strangers so many had something in their past to hide So it was with anxiety that Blodyn regarded the three strangers who came to the town in the last decade before the Millennium The townsfolk knew that things would change and they were right They blamed the Mayor and he knew it was up to him to keep the lid on the troubles that might ensue and find a way to accommodate all sides Everything might have gone smoothly except for the sheep but that s all part of the story
