Wright,2006-12-01 *Blog Marketing for Beginners* Marissa Harper,2013-07-08 Whether you are a new blogger or one that has been blogging for a while you are probably wondering how to get more sales visitors and readers to your blog on a weekly basis Marketing your blog the right way will give you the results that you are looking for You are going to find that you cannot just make a blog post in it a couple of times and then expect for the world to find you That just will not happen no matter how much you wish for it However you can market your blog effectively and get the results that you are looking for Blog marketing is pretty easy if you have a marketing mind You are going to find that many people use blogs as a diary and many times these blogs that are used for this purpose are not intended to make them money but simply a way to put their thoughts out there and find others that are going through the same thing If you have never even had a blog before the simplest thing that you can do is to start one and just journal in it for a while This will allow you to learn just what it takes and what it is all about to keep up a blog When you are just journaling your thoughts and what is on your mind you have nothing to lose and nothing to gain You don t even have to make your blog public if you don t want others to read what you have to say That is a personal preference However doing this will let you see how it works Then you can move on to trying to market a product or a service Grow Your Content Marketing Business: Learn Pinterest Strategy Kerrie
