Berkeley College Libguides:

Marketing and Outreach for the Academic Library Bradford Lee Eden, 2016-05-12 Volume 7 of the series Creating the 21st Century Academic Library is focused on new approaches and initiatives in marketing the academic library as well as the importance of outreach through partnerships and collaborations both internal and external to the library Implementation of social media strategies the use of library spaces for collaboration and inspiration planning events and extravaganzas in the library librarians as event coordinators and user centered programming the delivery of library services through digital engagement using Instagram to create a library character for the YouTube generation using workshops to promote digital library services an examination of the new librarianship paradigm the process of marketing and constructing a digital collection based on U S Highway 89 and the Intermountain West and how librarians at Loyola University New Orleans have embedded their expertise and practice into their university culture are the primary topics in this book **Teaching**

Reference Today Lisa A. Ellis, 2016-06-09 Reference and Information Services if it may still be referred to by this term is an evolving outreach service in libraries This is not only due to Google and the Internet but also other technological advances afford users online access to a plethora of content free and proprietary This evolution has also caused a shift in the theories and practices especially core functions and values of reference and information services as library schools seek greater alignment with practitioners and libraries on the forefront of these changes As academics and practitioners work together to educate library students on the kinds of changes happening in reference and information services they are rethinking their curriculum and assignments to incorporate real world challenges adaptive to user needs Likewise libraries may work through their regional library consortia to plan professional development workshops or training sessions to teach new skills and methods of approach required for such changing services Here s a tool for library school instructors library students professional development instructors and current librarians poised to change which specifically addresses the pedagogy of reference and information services in flux It will help answer questions such as How may we better educate a new and current generation of reference and information service professionals given the challenges they will likely encounter What kinds of assignments could be devised to better promote active learning in a transformative field like reference and information services What new approaches or theories could be applied to assist library professionals in meeting the informational needs of users **The Journal of Hellenic Studies** ,1905 **Patterson's American Educational**
