Breaking the Silence Anita Grace Gaddis, 2014-01-07 Do you remember where you were on September 11 2001 Do you remember the horror you felt as you watched the Twin Towers being destroyed Did you feel helpless to stop the dust cloud of ashes and debris that rolled over the streets of New York City covering everything in its path that day Prior to 9 11 Anita Gaddis had no word picture to describe how devastating her abortion experience was but as she stood in her living room that morning watching it unfold on TV it became clear what a bomb does to a building abortion does to a soul The shock of it all may be buried for months even years but the very act of abortion creates a dust cloud effect that seeps through every bone in your body until it threatens to suffocate the life out of you She asks the question that begs an answer How can people fully live while holding their breath The author of this book tells of her abortion experience firsthand and of her journey in finding hope and redemption She believes that many women who have had an abortion may unknowingly suffer from many of the same fears that she did She invites readers into her story with a passion to help them understand PAS post abortion syndrome and to reach out to the pregnancy centers in their communities Without the help of her local pregnancy center Refuge she herself would not have found the peace that comes with healing from an abortion *The Prized Possession* Jill Schaible, 2013-03-05 The only thing greater than fear is hope Frustrations with jobs and employers mortgages and car repairs college debt and marital conflict make us so overwhelmed we can't even sleep And thanks to wonderful drug advertising very few of us are not on some sort of toxic substance to either help rest our minds at night or cope with stress during the day Ask yourself if this is not true People are taking their own life over this stuff which makes me wonder if we've missed out on some secret When wounded souls feel they have no other option but to remove themselves from this earth before their time we'd better start uncovering some hope and soon Let's be honest Our world is broken We patch it up with all sorts of things but underneath where we really live there is everything from anger regret lust despair and pain to fear guilt depression greed and unforgiveness We are bombarded with distraction deception and way too much self absorption to even recognize truth anymore Is there any way out of this mess Yes There is indeed It is found in one person who gave everything to rescue us His name is Jesus The Prized Possession will help you discover who Jesus really is and why He is the only hope for hurting hearts You will see why self absorption and self reliance are highly overrated and how they keep us far from the freedom we need to see beyond our circumstances Within these pages are true personal stories sure to inspire your heart and stretch your understanding of God and His unrivaled love for humanity If you have questions about life come along on an exciting journey toward hope purpose and redemption There is a very generous God just waiting for you *Searching for Happily Ever After* Amber Gallagher, 2013-06 Instead of hopeless I'd much rather view myself as a hopeful romantic In a culture where happily ever afters and ladies in waiting seem only to be figments of myths and legends what does a woman do with her longing for an extraordinary love story Searching for Happily Ever After reveals a genuine account of one young lady's quest to wait with God and the breathtaking love story she found there Amber Gallagher uses humorous and

compelling narratives of struggle and triumph as she uncovers how God taught her to be a lady in waiting Hear from this hopeful romantic s heart as she shares valuable life lessons on how you can Fall in Love with Your First Love Find the Treasure in Singleness Determine God s Dreams for You Become the Woman You Long to Be Be A Part of Your Love Story Long Before Your Prince Ever Comes Get ready to be inspired and equipped for the adventure that awaits Instead of wishing the time away you will learn how to enjoy the journey and to find every ounce of treasure it contains as you discover the truth about Happily Ever After      **Looking for an Exit** Lisa Tucker,2011-08 Your heart is pounding You feel as if you can t breathe A strange uneasiness takes over and your body rages with fear Your mind is engulfed with one overwhelming thought I must be dying If those words strike a chord with you you might be suffering from panic attacks If you ve began avoiding any place or situation because you feel these sensations you may have agoraphobia It s important to know that you are not alone Author Lisa Tucker invites you to take a glimpse inside the walls that held her captive for years a life of panic attacks that led to agoraphobia Terror paralyzed her When her grandmother was hospitalized Lisa was unable to go upstairs to the hospital room When her friends asked her to go with them to the mall it couldn t be too crowded and Lisa had to know where all the exits were When her daughter s school had activities Lisa held on to the hope that they would be outside Many told her to get a grip Many including Lisa didn t understand what was going on with the debilitating panic It destroyed relationships ended her career and kept her on the outskirts of everything until she found power over the panic While struggling with this gripping fear she desperately searched for answers that would bring freedom from her self made cell sometimes even meeting with a counselor outside in the freezing winter to avoid a panic attack Looking for an Exit From Panic to Empowerment sheds light on her experiences and reveals that peace is truly on the other side of the panic      I Met Jesus at the Gym Jenny Rumancik,2016-02-04 A journey of hope and recovery through exploration and understanding of her past Dr H Lombard currently practicing in New Zealand after a long time career in Saskatchewan In this beautifully transparent and gutsy story Jenny Rumancik guides us through the process of healing from childhood and adult traumas opening her heart and her life in a refreshingly vulnerable manner Born on a Hutterite colony before leaving with her family at a young age Jenny goes through a process of self discovery learning that the love of God isn t just a churchy phrase but the true source of hope Her faith is tested in ways that would make many consider giving up but as Jenny seeks God she discovers the kind of intimate encounter we all hope for Jenny s story includes traumatic loss the divorce of her parents being an unwed mother finding the man of her dreams and working out her faith in difficult circumstances before meeting Jesus at the gym Readers will be encouraged by the hope of this love story on both human and divine levels      **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09      **Subject Guide to Books in Print** ,1997      Esther Beth Moore,2008 A 9 week interactive bible study of the book of Esther for women Features daily individual assignments and weekly group sessions with video      **Esther** Charles R.
