HOYA PRIDE – Helping Our Youth Achieve by Providing Relevant Instruction for a Diverse Environment

CCGPS Geometry

CCGPS Geometry is the second in the sequence of secondary mathematics courses designed to ensure that students are college and work ready. Instruction and assessment will include the appropriate use of manipulatives and technology. Topics will be represented in multiple ways, such as concrete/pictorial, verbal/written, numeric/data-case, graphical and symbolic. My goal for each student is to have a rich and rewarding experience to display mastery of the curriculum, but more importantly to become *great analytic thinkers!*

Steps for Success

- ✓ Be on time and prepared for class each day.
- ✓ Participate in individual or group activities and discussions.
- ✓ Complete all homework assignments.
- ✓ Be organized.
- ✓ Ask questions in class & seek extra help after class.

Unit Tests – There are 7 units per semester. The unit test will encompass all sections and topics within the unit.

Section Tests – Within each unit, material will be broken into several small sections, in which you will be assessed.

Homework

Homework will be assigned daily. Remember that homework is an important part of the learning process. Mark problems that you do not understand so they can be addressed in class the following day.

Make Up Work

Making up missed work is your responsibility! Only students with excused absences will be allowed to make up missed work. All make up work and tests will be recorded as a 0 until completed. Make-up tests and quizzes must be taken before the next chapter test or it will remain a 0. You must make arrangements with me the day of your return. If you miss only the day of review for a test, you are expected to take the test with the class if you return on test day. **Test make up times are Tuesday and Thursday mornings.** See the schedule posted in the classroom.

Cheating

Cheating will NOT be tolerated. If I determine that you have cheated, you will receive a zero on the assignment, your parents will be called, and you will be given a U in conduct for the grading period. The following constitutes cheating: copying or sharing homework, talking during a test or quiz no matter what you are talking about, looking on someone else's paper or allowing them to look on yours, & using a calculator when it is not allowed.
