Arduino tends to focus on one particular aspect i.e. practical implementation or coding. However, this book creates harmony between these two elements so that the reader gets the best of both worlds. Everything that you will learn about coding or handling Arduino hardware and every concept is not only comprehensively explained but demonstrated in Arduino projects as well. Since Arduino is even used in highly technical fields such as mechatronics and medicine, this book aims to bring the bar a bit lower and provide the reader with concepts and knowledge geared more towards Arduino's general use. Here are a few key features of this book: Easy to understand explanations of advanced concepts without using excessive jargon; Emphasis on practical Arduino projects and advanced coding techniques; Carefully structured chapters. The position of each chapter builds upon the discussion and concepts highlighted in the preceding chapters; Techniques for efficient memory handling; Concepts of advanced Arduino software and hardware handling; Implementing the coding techniques discussed in this book to create Arduino projects. Concepts are grouped into their respective chapters for easier learning and reference. If you're interested in learning to implement advanced strategies for Arduino programming, then grab your copy to get started today.

Amazon Ads Unleashed Robert Ryan, 2019-11-02. Do you sell as many books as you want to? Amazon ads revolutionized publishing. But how do you get them to work? Have you bought books that promised answers or paid hundreds of dollars for courses yet still struggle to profit? Do you belong to a secret Facebook group but fear being ripped off? Amazon ads are hard to master. But if you do, they'll reward you. They tap into an audience hungry for books and willing to pay full price. The ads follow a standard pay per click advertising model. Marketers have had two decades to figure out how that model works. There's a skillset for the job. This book explains it. If you're tired of rumors, guesses, and secret strategies, this book shows you how to tap into a buying audience. The neuroscience behind clicks that don't convert and how to get more that do. The tactics of expert optimization. Ad types to avoid and why. Why scaling is so hard. This book gives you the knowledge to advertise at profit. It'll surprise you and bust the myths holding you back. You'll never look at advertising the same way again. Are you ready to unleash your Amazon ads?
