Through the Arch Larry B. Dendy, 2013 Through the Arch captures UGA's colorful past dynamic present and promising future in a novel way by surveying its buildings structures and spaces These physical features are the university's most visible and some of its most valuable resources Yet they are largely overlooked or treated only passingly in histories and standard publications about UGA Through text and photographs this book places buildings and spaces in the context of UGA's development over more than 225 years After opening with a brief historical overview of the university the book profiles over 140 buildings landmarks and spaces their history appearance and past and current usage as

well as their namesake beginning with the oldest structures on North Campus and progressing to the newest facilities on South and East Campus and the emerging Northwest Quadrant Many profiles are supplemented with sidebars relating traditions lore facts or alumni recollections associated with buildings and spaces More than just landmarks or static elements of infrastructure buildings and spaces embody the university s values cultural heritage and educational purpose These facilities many more than a century old are where students learn explore and grow and where faculty teach research and create They harbor the university s history and traditions protect its treasures and hold memories for alumni The repository for books documents artifacts and tools that contain and convey much of the accumulated knowledge and wisdom of human existence these structures are the legacy of generations And they are tangible symbols of UGA s commitment to improve our world through education Guide includes 113 color photos throughout 19 black and white historical photos Over 140 profiles of buildings landmarks and spaces Supplemental sidebars with traditions lore facts and alumni anecdotes 6 maps
