

Companion[®] 3 Series II Multimedia Speaker System

Product Description

The Companion 3 series II multimedia speaker system is a stereo system designed to be used as a computer sound system. It can be used with any analog audio source. It has a bass module with a 6.5 inch dual voice coil woofer in a slot ported design. The two satellite speakers connect to the bass module and are mounted to speaker stands. The speakers can be placed on a desk or other surface when removed from the stands. A wired remote control pod is used to control volume and mute/un-mute functions. The system also has a second input and a stereo headphone output on the control pod.
