Common Core Curriculum Maps in Mathematics, Grade 12 Common Core, 2014-06-16 Common Core's Mathematics Maps will be based on not merely aligned to the Common Core State Standards CCSS. The Maps will imbed the standards into a clear sequenced and specific instructional guide to addressing key topics in each grade. The chief goal of the Maps is to provide educators with a highly usable tool for addressing the CCSS within the context of conveying the seamless story of mathematics in the course of students K-12 mathematics education. That story will unfold in a series of 4-7 units per grade, paced to ensure students mastery of each topic. Each unit will include a sequenced series of sample activities that illustrate model instructional approaches and employ manipulatives in a helpful non-distracting manner. The Maps would be compatible with a wide array of textbooks and additional resources.

Common Core Curriculum: United States History, Grades 3-5 Great Minds, 2014-03-17 Comprehensive Common Core curriculum for United States History Grades 3-5. The Alexandria Plan is Common Core's curriculum tool for the teaching of United States and World History. It is a strategic framework for identifying and using high quality informational texts and narrative nonfiction to meet the expectations of the Common Core State Standards CCSS for English Language Arts (ELA) while also sharing essential historical knowledge drawn from the very best state history and civics standards from around the country. The curriculum is presented in this four-volume series: Common Core Curriculum United States History Grades K-2, Common Core Curriculum World History Grades K-2, Common Core Curriculum United States History Grades 3-5, and Common Core Curriculum World History Grades 3-5. Features of each book include Learning Expectations which articulate the key ideas, events, facts, and figures to be understood by students in a particular grade span; Suggested anchor texts for each topic; In-depth text studies comprised of text-dependent questions, student responses, and assessments based on a featured anchor text; Select additional resources; Concise Era Summaries that orient both teachers and students to the historical background. The curriculum helps teachers pose questions about texts covering a wide range of topics. This volume, Common Core Curriculum United States History Grades 3-5, introduces upper elementary students to 18 key eras in our country's history from the original Native American people to modern times through stories that they will treasure forever.
