

Communication/Social Styles

How can you tell what your own communication - social style is? This questionnaire will help you analyse your own behaviour. Remember, this profile simply highlights your most frequent tendencies.

Instructions

There is no right or wrong answers in this questionnaire. Basically this is a survey that enables you to describe the style you use in relationship to others.

On the following pages there are a number of statements, each of which is followed by four different endings. For each statement, indicate the ending that best describes your behaviour. In some cases, two choices may seem equally like you; please choose the one most like your behaviour most of the time.

When you've completed the questionnaire, score your answer according to the directions on the final page, under question 20.
