process isn't hard but it can be intimidating the first time so this guide holds your hand right through every step explaining what to do. It doesn't assume you're an expert so it covers the basics keeping things as straightforward as possible. It doesn't teach you how to write just to publish. If you've got a finished book manuscript but don't know what to do next the answers are here. Once you have a polished edited and proof read book file going through the steps in this guide can put a print copy of your book in your hands in a couple of weeks and make it available worldwide in any format hard copy or ebook. It covers things you didn't know you didn't know like the legal requirements of mandatory deposit in the country where you live whether it's the US UK Australia New Zealand or Canada. There are tips on pricing and promotion bar codes and taxation ISBNs and all those behind the scenes elements that go into publishing a book. No wild promises of riches just an easy to follow guide to get you started.
