Classic Mini 850cc Manual:

I Remember That M. A. Enniss-Trotman, 2017-10-13 Charting her life from her humble beginnings in the early sixties author M A Enniss Trotman narrates her story of a little girl and a young woman growing up in a large nuclear family in post colonial Guyana. She journeys through the rough and tumble world of a rural bauxite mining town as she opens up about the rough hewn experiences, significant milestones, roadblocks and turning points that shaped her sometimes bittersweet but always purpose driven life. I Remember That explores family connections, childhood memories and spiritual experiences and offers details about another side of the world through light hearted portrayals of small town life against a backdrop of tumultuous political and racial conflict. Through a collection of stories, Enniss Trotman shares the traditions and social and cultural musings from a half century ago. Rich in period details, I Remember That becomes a vehicle for something greater than the history of the people and events it describes: a valuable keepsake that delivers priceless and precious reminiscences and preserves them for posterity. **Australian National Bibliography**, 1971 Morris/Austin Mini, 1959-71, 1971
