

CONCEPT MAP

HUMAN MALE REPRODUCTIVE SYSTEM

The male reproductive system is located in the pelvic region. It is a system of sex organs and accessory glands.

- It has 3 main functions are:-
- Production of sperm by spermatogenesis.
- Deposition of male sex hormones (testosterone).
- Ensures internal fertilisation.

Primary sex organs

- Produce male gametes (sperm).
- Secrete male sex hormone (testosterone).

Testes in scrotum

- Adipose tissue found in the cryptorchid testis.
- Secrete and pump the sperm by 7th month of embryonic development through inguinal canal.
- Ascent of testes supported by **cremasteric muscle**.
- Temperature is $3.3-3.5^{\circ}\text{C}$ (slightly lower than normal body temperature).
- Under hormonal control of **FSH** and **LH** from anterior lobe of pituitary.

Seminal vesicles

- A pair of small glands near the base of bladder.
- Produce an alkaline secretion, **seminal fluid** (pH 7.4, which forms 10% of volume of semen).
- Seminal fluid is rich in fructose for nourishing sperm, **prostaglandins**, which stimulate uterine contractions for upward movement of sperm and **clotting proteins** for coagulation of semen after ejaculation.

Prostate gland

- Single gland, produces a milky secretion (pH 6.2) which forms 25% of volume of semen.
- Prostate secretion contains zinc and enzymes (acid phosphatase, arylsulphatase, phosphatase), and secretions nourish and activate the spermatozoa to swim.

Cooper's bulbourethral glands

- A pair of glands present in either side of urethra.
- Secrete alkaline fluid and mucus that lubricate the end of penis and lining of urethra.

Accessory glands

- Secrete seminal plasma or semen rich in fructose, calcium, prostaglandins, clotting proteins and certain enzymes.

Secondary sex organs

Accessory ducts

- Store and transport sperm from the testes to the scrotum through urethra.
- Include vas deferens, duct of seminal vesicle and vas deferens.

Intercavernosal genital duct system

Vasa efferentia

- Network of 20-30 fine channels into which seminiferous tubules open.

Epididymis

- Differentiated into anterior **caput epididymis**, middle **corpus epididymis** and posterior **cauda epididymis**.
- Sperm opens and the secretory substances required for maturation of spermatozoa pass through ducts, ascending sperm.

Vasa deferentia

- Conduct sperm.
- Leave the scrotum and enter abdominal cavity through inguinal canal.
- Secreted by duct from seminal vesicle is **seminal vesicle duct**.

Ejaculatory ducts

- 2 short tubes each formed by union of duct from a seminal vesicle and vas deferens.
- They pass through prostate gland and join prostatic urethra to produce **semen** **urethra**.
- Muscular walls of ejaculatory ducts quickly contract (spasmodic) through **urethra** duct.

Urethra

- Each longer, as compared to testis, about 25 cm, common pathway for urine and semen functioning regulated by internal and external sphincters.
- Differentiated into anterior **prostatic urethra**, surrounded by prostate gland (carrying urea only), middle **membranous urethra**, which involves ducts from **seminal vesicle** and **duct of bulbourethral urethra**, which opens to the outside through **penile urethra**, which opens to the outside through **penile meatus**.

Penis

- Intra-urethral cavity (open).
- Conducts both urine and semen, opens to the outside by **urethral opening** or **penile meatus**, covered by prepuce.
- Consists three cylindrical masses of erectile tissue - two **bulb corpus cavernosus** and one **ventral corpus spongiosus**, which helps in **erectile function**.
- Helps to transfer semen to female reproductive tract (vagina) during fertilisation.

Prostate cancer

- Common malignancy, accounting for 25% of male deaths.
- Develops difficulty in urinating, increased frequency of urination.
- Treatment involves surgical removal of testes.

Sterility

- Inability of sperm to fertilise the ovum due to low sperm count or low sperm motility.

Disorders of the male reproductive system

ED or Benign prostatic hypertrophy

- Enlargement of prostate gland, common in old age.
- May cause urinary tract infection (UTI).

Impotence

- Inability of adult male to achieve or hold erection.
- Occurs due to psychological, physiological or neuromuscular defects.

Prostate cancer

- Common malignancy, accounting for 25% of male deaths.
- Develops difficulty in urinating, increased frequency of urination.
- Treatment involves surgical removal of testes.

Sterility

- Inability of sperm to fertilise the ovum due to low sperm count or low sperm motility.

Concept Map 1 Male Reproductive Tract Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Concept Map 1 Male Reproductive Tract free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Concept Map 1 Male Reproductive Tract free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Concept Map 1 Male Reproductive Tract free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure

that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Concept Map 1 Male Reproductive Tract. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Concept Map 1 Male Reproductive Tract any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Concept Map 1 Male Reproductive Tract Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Concept Map 1 Male Reproductive Tract is one of the best book in our library for free trial. We provide copy of Concept Map 1 Male Reproductive Tract in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Concept Map 1 Male Reproductive Tract. Where to download Concept Map 1 Male Reproductive Tract online for free? Are you looking for Concept Map 1 Male Reproductive Tract PDF? This is definitely going to save you time and cash in something you should think about.
