Concord Sage Donna A. Ford, 2015-04-24 Concord Sage Who was Ralph Waldo Emerson What made him famous a celebrity in his own town country and beyond And why is Emerson still quoted today An average student and shy young man Emerson found his calling at the age of thirty His gifts for writing and lecturing drew New England's brightest thinkers into his literary circle that became known as the Transcendental Club Emerson's moderate style was the guiding factor that kept American culture from extremes New England religious formalism or European radical ideas Family ties to the Revolutionary War prompted Emerson to write words for freedom heard round the world Visitors to Concord Massachusetts tour his home Bush and the restored North Bridge where on April 19 1775 Emerson's grandparents and father watched from the Church Manse as American history was made and where the following poem by Emerson is now etched in stone Concord Hymn By the rude bridge that arched the flood Their flag to April's breeze unfurled Here once the embattled farmers stood And fired the shot heard round the world Shaped by early New England values Ralph Waldo Emerson's thinking helped shape America in the nineteenth century Here is the story of the Concord Sage *Miracle of the Call* Donna A. Ford, 2015-12-29 Seventeen Life Stories Twentieth Century Heroes and Heroines You may know the amazing life stories of these heroes and heroines of the twentieth century Now read the surprising miracle of the call each experienced To Recognize the Call Will you hear a voice Some have Do you see a vision Moses saw the burning bush Does your spirit feel stirred Or do you feel a tug on your heart Find out how to tell whether you have received the miracle of the call To Inspire Great Achievement Individuals in this book might disagree about what constituted the call on their lives All seventeen acknowledged that something unusual happened something beyond themselves Achievement that betters humanity points to the miracle of the call Ford inspires by saying that we too can be called just by listening to the music inside us If a writer is a skilled servant of words who enables the rest of the world to share others greatness then Ford is an exceptional servant wrapping great lives in an alluring package with this slim volume of seventeen biographies *Miracle of the Call* is recommended by the US Review of Books Professional Book Reviews for the People **Ralph Waldo Emerson** Oscar W.
