Write a Concrete Poem

Use the outline of the shape to create your poem. Think of words and phrases that describe the object. Then, write your poem along the edges of the shape to form its silhouette. You can follow the curves of the shape, space out your words, or write in different styles to make your poem stand out.

With a touchdown in mind, the quarterback throws a spiralling pass, heading straight for the wide receiver in the endzone. The defence lines up for the tackle. CHEERS, except from the crowd's shout. Will they stop their opponent? Does the defence have what it takes? Will they complete the pass? Does the offense have what it takes? Will they catch the ball? Will they score? Will they block? Will they tackle? Will they defend?
