Dot To Dot Moses Burning Bush:

Connecting the Dots Jake Owensby, 2012-06 Your life matters and it matters on an infinite and eternal scale That may sound like a bold claim Maybe you spend most of your day behind a desk or chauffeuring children or repeating one of a thousand ordinary routines Nothing about your daily life seems world changing or history making to you A life crushing loss or a humiliating setback may leave you feeling that your world is irreparably broken Chronic illness or a stalled career may have you wondering whether you have anything truly significant to offer You may have reached the pinnacle of success and now you find yourself wondering Is this all that there is Nevertheless your life matters That is the core message of Christian hope This book is devoted to helping its readers not only to understand the concept of hope but more importantly to draw upon hope as the powerful force that inspires our daily lives Christian hope is far more than wishful thinking or a positive attitude Optimism in all its forms places its bets on what we humans can accomplish By contrast hope is rooted in what Christ has already achieved on the cross and what God promises to accomplish for us in the future God connects the dots of our lives

All The Dots Connect Sean Beckett, 2008-09 How you judge yourself is the same as how you judge others and is ultimately how you limit your relationship with God Throughout all of time God has had one purpose Everything that has happened is happening or will happen is connected to God's ultimate goal As you read this book you will discover that God's grace is a relationship that is not based on behavior You will learn how to accept a relationship with God that is based on who He is and whom He created you to be He is the One who offers position purpose place and provision Our part is provide an acceptance or rejection to His invitation The choice is ours God's ultimate goal is to have a relationship with man that is not out of compulsion or coercion He wants a relationship that is freely given All we have to do is say yes to what He is offering You can know all that He has for you and then when you do you will see that all the dots connect
