Concise Guide To Aleister Crowley:

The Weiser Concise Guide to Aleister Crowley Richard Kaczynski, 2009-04-01 Shrouded in mystery and misunderstanding Aleister Crowley is one of the 20th century's most revered occult figures. With *The Weiser Concise Guide to Aleister Crowley* readers are given a careful comprehensive overview of Crowley's life from poet to practicing magician as well as his life's work including the basic principles and rituals of his magical practices. Set aside your preconceptions and dismiss the rumors. Crowley was certainly a complex controversial and colorful man but the truth is far more interesting than the legend. *Perdurabo, Revised and Expanded Edition* Richard Kaczynski, 2012-04-10 A rigorously researched biography of the founder of modern magick as well as a study of the occult sexuality Eastern religion and more. The name Aleister Crowley instantly conjures visions of diabolic ceremonies and orgiastic indulgences and while the sardonic Crowley would perhaps be the last to challenge such a view he was also much more than the Beast as this authoritative biography shows. *Perdurabo* entitled after the magical name Crowley chose when inducted into the Hermetic Order of the Golden Dawn traces Crowley's remarkable journey from his birth as the only son of a wealthy lay preacher to his death in a boarding house as the world's foremost authority on magick. Along the way he rebels against his conservative religious upbringing befriends famous artists writers and philosophers and becomes a poet himself. Is attacked for his practice of the black arts and teaches that science and magick can work together. While seeking to spread his infamous philosophy of "Do what thou wilt shall be the whole of the Law" Crowley becomes one of the most notorious figures of his day. Based on Richard Kaczynski's twenty years of research and including previously unpublished biographical details *Perdurabo* paints a memorable portrait of the man who inspired the counterculture and influenced generations of artists punks wiccans and other denizens of the demimonde.

Cannabis, Sacred and Profane Christopher Partridge, 2024-08-22 Focussing on the ways in which cannabis has been demonized sacralized and normalized Christopher Partridge analyses the complex and often difficult relationship Western societies have had with the plant since the nineteenth century. After an introduction to cannabis and its uses the book discusses how and why it was constructed as a profane influence and a marker of deviance. It then examines the emergence of medicinal cannabis showing how this has contributed to its normalization and even its sacralization. Finally there is a discussion of sacred cannabis which looks at its use within modern occultism Rastafari and several cannabis churches. Overall the book provides a cultural history of cannabis in the modern world which exposes the underlying reasons for the various and changing attitudes to this popular psychoactive substance. *The Weiser Concise Guide to Herbal Magick* Judith Hawkins-Tillerson, 2025-09-12 The ultimate herbalist's bible.
