

Avaya Communication Manager Network Region Configuration Guide

Communication Manager 2.1

Avaya Labs

ABSTRACT

This application note is a tutorial on Avaya Communication Manager network regions. Two basic configuration examples are covered in detail, along with explanations of the concepts and philosophies that drive such configurations. In addition, this document covers the rules governing network regions, and explains the features related to network regions. The "Avaya IP Telephony Implementation Guide" is a prerequisite for this document, and should be referred to as necessary.

The intent of this document is to provide training on Avaya Communication Manager network regions, and to give guidelines for configuring them.
