**Ethical AI and Data Management Strategies in Marketing** Saluja, Shefali, Nayyar, Varun, Rojhe, Kuldeep, Sharma, Sandhir, 2024-07-18 In today's fast-paced digital world, marketers face an ever-growing challenge: effectively navigating the vast and complex data landscape while ensuring ethical practices. The explosion of digital information has created new opportunities for targeted marketing. Still, it has also raised concerns about privacy, security, and the responsible use of data. Marketers risk damaging consumer trust and facing regulatory scrutiny without a comprehensive understanding of data governance and ethical frameworks. **Ethical AI and Data Management Strategies in Marketing** provides a timely and comprehensive solution. This insightful guide offers practical strategies for implementing robust data governance plans that focus on eradicating isolated data repositories and adhering to ethical guidelines. These theoretical and actionable strategies give marketers the confidence to implement them effectively. By leveraging the power of artificial intelligence in marketing, marketers can enhance their understanding of the target audience and optimize content creation while maintaining ethical standards. The book delves into essential topics such as data privacy, ethical marketing, and technology ethics, providing valuable insights and practical solutions for managing data ethically in modern marketing.

**Principles of Strategic Communication** Derina Holtzhausen, Jami Fullerton, Bobbi Kay Lewis, 2025-10-31 Now in a second edition, this book introduces students to the theories of strategic communication and their application to everyday practice. Key updates to the second edition include the use of artificial intelligence in the practice of strategic communication and a focus on health communication and crisis communication in the wake of a global pandemic, personal branding, social responsibility in an era of disinformation, and the addition of models for ethical decision making. It also features a completely updated chapter on new media and media metrics. Each chapter includes introductory learning outcomes, updated case studies, a career profile of a current practitioner, end-of-chapter discussion questions, and boxes that highlight theory and research, as well as the strategic communication industry insights. **Principles of Strategic Communication Second Edition** is ideal as a core text for undergraduate students in strategic communication courses within media communication, marketing, and advertising programs. The accompanying online resources feature chapter summaries, useful links to examples of strategic communication in action, suggested further reading, and sample test questions. Instructors will find an instructor's resource manual that includes sample syllabi, class activities, lecture topics, and a test bank. New to this edition are PowerPoint slides for each chapter.
