Common Core Curriculum Maps in English Language Arts, Grades 9-12 Great Minds, 2011-10-13. The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards CCSS. The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades 9-12. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans, and more. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

Literacy Assessment and Intervention for Classroom Teachers Beverly A. DeVries, 2023-04-25. The Sixth Edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical, effective intervention strategies to help every student succeed. DeVries thoroughly explores all major components of literacy, offering an overview of pertinent research, suggested methods and tools for diagnosis and assessment, intervention strategies and activities, and technology applications to increase students' skills. Substantively updated to reflect the needs of teachers in increasingly diverse classrooms, the Sixth Edition addresses scaffolding for English language learners and the importance of using technology and online resources. It presents appropriate instructional strategies and tailored teaching ideas to help both teachers and their students. The valuable appendices feature assessment tools, instructions, and visuals for creating and implementing the book's more than 150 instructional strategies and activities, plus other resources. New to the Sixth Edition: Up-to-date and in line with national, state, and district literacy standards; this edition covers the latest shifts in teaching and the evolution of these standards; New material on equity and inclusive literacy instruction; understanding the science of reading; using technology effectively; and
