Between the Sheets Hannah Frydman, 2025-07-15 Between the Sheets reveals a space hidden in plain sight in Third Republican Paris where deviant sexualities and lives could be experimented with and financed despite republican attempts at growing and norming the population through the heterosexual family That space was the newspaper which was not simply a tool of normalization and a site of dominant discourse as it has frequently been imagined Reading between the lines Hannah Frydman shows how through the Belle poque classifieds the newspaper became a tool for living lives otherwise as information flowed from it not just vertically but also laterally facilitating person to person communication The sexual relationships exchanges and services enabled by this communication were far from utopian Surviving and thriving outside of social norms often required exploiting others Yet by attending to the lives and livelihoods enabled by the classifieds ethical or otherwise Between the Sheets demonstrates that thanks to new innovations in media technologies queer and nonnormative lives in this period were lived in the center as well as on the margins It was this centrality however that inspired efforts to place new moral controls on mass cultural forms and technologies After World War I in an interwar moment often characterized as one of sexual liberation the press s queerness was subjected to ever increasing surveillance and control with repercussions for press freedom writ large These repercussions echo into our age of social media with its promise of unfettered connection which inspires repressive legislation to keep sexuality and with it freedom in its crosshairs The Story of Sexual Identity Phillip L. Hammack, Bertram J. Cohler, 2009-03-06 This book assembles a diverse group of scholars working within a new pathbreaking paradigm of sexual science fusing perspectives from history sociology and psychology The contributors are united in their commitment to the idea of narrative as central to the study of sexual identity offering an analytic approach to social science inquiry on sexual identity that restores the voices of sexual subjects The result is a rich examination of lives in context with an eye toward multiplicity and meaning across the life course Central to the chapters in this volume is the significance of history generation and narrative in the provision of a workable and meaningful configuration of identity <u>Disrupted Intersubjectivity</u> Andrei Ionescu, 2020-05-14 Disrupted Intersubjectivity investigates two classes of phenomena creating failures of understanding in social interaction referred to as paralysis and invasion Both can be understood as disrupted forms of intersubjectivity the former being characterized by a lack deficiency of ways of relating to others and the latter by an unnecessary surplus By studying the literary accounts of these phenomena in a selection of Ian McEwan's literary works Homemade On Chesil Beach Enduring Love and Atonement Andrei Ionescu sheds light on the epistemological potential of literature and the structure of human relationships in general Part of the developing field of cognitive literary studies Disrupted Intersubjectivity not only uses cognitive scientific theories in order to clarify literary issues but also investigates to what extent can literature itself contribute to the process of understanding the workings of the human mind By investigating the metacognitive issues staged and reflected upon in literary works Ionescu

challenges and refines contemporary cognitive and philosophical approaches to intersubjectivity and opens directions for further theoretical and empirical research Books Out Loud ,2007 A New English Dictionary on Historical Principles Bradley, James Augustus Henry Murray, Murray, 1914 Forthcoming Books Rose Arny, 2001 The Story of Byfield John The Listener ,1978 Selection of Recent Books Published in Great Britainf1940-Apr. 1941, 1978 Louis Ewell.1904 Small Press Record of Books in Print Len Fulton, 1993 **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
