

The illustration depicts a young boy with brown hair, wearing a blue and white striped shirt, sitting on a patch of green grass. He is holding a bundle of thin, light-colored strings that extend upwards into the sky. Attached to these strings are numerous colorful birds in various species and colors, including red, orange, yellow, green, and blue. The birds are scattered across the upper half of the cover, appearing to fly or be suspended in the air. The background is a light blue sky with a subtle gradient.

**Beyond the Laughing Sky** Michelle Cuevas, 2014      *Beyond the Laughing Sky* Michelle Cuevas, 2014 The magical and moving story of a bird like boy who longs to fly Ten year old Nashville doesn't feel like he belongs with his family in his town or even in this world He was hatched from an egg his father found on the sidewalk and has grown into something not quite boy and not quite bird Despite the support of his loving family Nashville wishes more than anything that he could join his fellow birds up in the sky The trouble is He hasn't grown wings which must surely make his dream impossible And yet in this lyrical novel with the feel of a timeless fable Michelle Cuevas manages to convince us that actually anything is possible This is an impossibly lovely tale but then as Nashville the soaring heart of this exquisite novel learns nothing is impossible when you follow your dreams *Beyond the Laughing Sky* is a triumph Katherine Applegate Newbery Award winning author of *The One and Only Ivan*      *The Care and Feeding of a Pet Black Hole* Michelle Cuevas, 2017-09-12 A girl's friendship with a lonely black hole leads her to face her own sadness in this original funny and touching middle grade novel for fans of Crenshaw and Flora Ulysses When eleven year old Stella Rodriguez shows up at NASA to request that her recording be included in Carl Sagan's Golden Record something unexpected happens A black hole follows her home and sets out to live in her house as a pet The black hole swallows everything he touches which is challenging to say the least but also turns out to be a convenient way to get rid of those items that Stella doesn't want around Soon the ugly sweaters her aunt has made for her all disappear within the black hole as does the smelly class hamster she's taking care of and most important all the reminders of her dead father that are just too painful to have around It's not until Stella her younger brother Cosmo the family puppy and even the bathroom tub all get swallowed up by the black hole that Stella comes to realize she has been letting her own grief consume her And that's not the only thing she realizes as she attempts to get back home This is an astonishingly original and funny adventure with a great big heart      **Catalog of Copyright Entries** Library of Congress.
