Is there study outside of class? It's recommended that each participant answer weekly study questions prior to class, which should take no more than 30-45 minutes per week. Can anyone lead the study? Absolutely. The study is created in a discussion format, allowing leaders to simply guide participants through each study question at weekly meetings. Can I get access to the answers for each discussion question? Yes. The answers for each discussion question are available for free online. In addition, we provide a Scripture Reference sheet for each Bible passage to save valuable class time. In what formats is the book available? The book is available in both print and e-book formats.
