Bakley,2012-07-27 Will Israel and the U S be destroyed or partially destroyed in 2012 2019 or 2026 2030 and beyond and Muslims Catholics and communism take over most of the world Were there strange things going around the sun the moon changing degrees and phases stars that aren t where there suppose to be and the magnetic poles changing mostly reported secretly in 2001 2011 Did NASA or scientists and astronomers brush the pictures of them away so not to scare people Did the Bible Code predict strange behavior of the moon in 2011 Will a great tidal wave hit the U S East Coast in 2012 2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026 2030 and utterly destroy the entire United States if it still around after the war of 2012 2019 Will the Muslims communism and Catholics persecute Christians Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don t deny Christ and convert to Islam Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don t then these events may start to happen This book was written by June 12 2012 **Israel and the Covenants in New Testament Times** Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old

covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
