Living Water Study Haley Smith, 2020-12-15 Just as water is essential to the survival of our physical bodies the living water that only Jesus offers can fulfill the needs of our souls What happens when we allow this living water to fill us Living Water Study investigates various biblical passages that showcase the transformative power of the intersection of living water with your life Author Haley Smith begins with a focus on John 4 and continues with a consideration of scriptures from both the Old Testament and New Testament that refer to this living water Jesus speaks of Are you parched Maybe you are dealing with a circumstance that is taking every ounce of your strength and is depleting you of your living water Maybe you feel a void in your life that cannot be filled no matter how hard you try Maybe you are at a place in your life where you can't get enough of the Lord and you want the living water to pierce every part of your life No matter where you are at living water is made available to you Are you ready to be filled Come and drink from the well that will never run dry Uplifting and encouraging this Bible study explores the transformative power that comes when we allow the living water flowing from Jesus to enter our lives
