It's My Story - I'll Tell It My Way James M. Wahl, 2010-12-20 My Story is a reflection on the events of my life from my birth in 1926 until my marriage in 1949 at the age of 23 My experiences in growing up on a poor hilly farm without electricity or inside plumbing during the depression years of the 1930s then the difficult war years of the early 1940s followed by the growing prosperity after WW II all helped to shape the kind of person that I wished to become These events helped me to progressively establish three main goals for my life Build a meaningful relationship with my Creator get a worthwhile education and find a Special Girl to share my life In those 23 years I accomplish two of my goals The one remaining goal my first and oldest objective was still a work in progress at the end of My Story My efforts to find an acceptable way of

worshipping my God would not be realized until a few more years had passed I had also determined that my Special Girl and I would reach this goal together If time allows I will complete that account in Our Story All the Way in the near future My initial purpose in writing this account has been to preserve that heritage for my two sons Steve and Jeff and for their families If My Story proves to be of any interest to others so much the better Jim Wahl text should be Amazone BT for Jim Wahl
