Christie Projector Manual:

Scout Camp James Renner, 2025-02-25 In this timely and deeply personal true crime memoir acclaimed journalist author creator of the True Crime This Week podcast and former Boy Scout James Renner explores the dark side of an American institution its pervasive culture of sexual abuse and the traumatic even deadly repercussions of its long buried secrets In the summer of 1995 at the largest Boy Scout camp in Ohio a night of sexual violence ended with one counselor dead and another hospitalized The death was ruled accidental It wouldn't be the last death associated with Seven Ranges Reservation James Renner too was a counselor at Seven Ranges that year He was always sure there must be more to the story of Mike Klingler's death because Renner also knew firsthand that the 900 acre camp was not the safe getaway it was portrayed to be On Friday nights the boys were ushered into the woods for a frightening ceremony in which they learned the rules for becoming good young men and above all that keeping secrets was a Scout's duty No matter how dark the secrets were Determined to face his demons Renner embarks on a journey back to that tumultuous summer and exposes a clandestine society that left indelible scars on the Scouts and the staff who were there For Renner it meant opening up about his twisted upbringing his issues with trust and sexuality and a lifetime of self medication The result is a deeply personal no holds barred and vitally important true crime memoir
