**Instinct** Sherrilyn Kenyon,2015-03-31 Controlling the demon inside him proves crucial for Nick Gautier when his trust in the wrong person leads Nick's lethal enemies straight to his doorstep      **Intensity** Sherrilyn Kenyon,2021-11-29 It's a demon eat demon world for Nick Gautier Just when he thinks he's finally gotten a handle on how not to take over the world and destroy it Death returns with an all star cast that is determined to end the Malachai reign and lineage forever Worse Death and War have found the one true enemy Nick can't find and even if he did it's one he could never bring himself to banish or kill Now framed for murders he hasn't committed and surrounded by new friends who might be turncoats Nick is learning fast how his father went down in flames The heat in New Orleans is rising fast and Nick's threat level has gone into a whole new level of intensity He's learning fast that when War and Death decide to battle they don't take prisoners They don't negotiate And they're both immune to his biting sarcasm and Cajun charm To win this he will have to embrace a new set of powers but one wrong step and he will belong to the side of Darkness forever Praise for Chronicles of Nick Illusion is another great story The humour is spot on great balance between action and storytelling Total Book Geek on Illusion Chock full of action suspense emotion Nick's perfectly timed humour and sarcasm friends coming together to help one another danger and peril at every turn and of course Kenyon's brilliant world building character creations and imagination that make you forget you are reading a work of fiction The Reading Caf on Instinct Nick never ceases to amaze me My words don't do him justice You won't understand until you read the book So read the book please You won't regret it My Not So Salient Life on Instinct The perfect amount of action snark and intriguing character development Teen Library on Instinct      *Invincible* Sherrilyn Kenyon,2011-03-22 Nick Gautier's day just keeps getting better and better Yeah he survived the zombie attacks only to wake up and find himself enslaved to a world of shapeshifters and demons out to claim his soul Being a teenager is no picnic either His new principal thinks he's even more of a hoodlum than the last one his coach is trying to recruit him to things he can't even mention and the girl he's not seeing but is has secrets that terrify him But more than that he's being groomed by the darkest of powers and if he doesn't learn how to raise the dead by the end of the week he will become one of them

old gathering forces he will have to call on every part of himself to fight or he ll lose everyone he cares about Even himself
