

Beyond Belief

The Secret Gospel of Thomas

"This manuscript, and its remarkable history of discovery, has taken me through hell and purgatory and I can tell you that the waters of death, resurrection, and life are not as far from our grasp as you think."
—Richard Dawkins, *New York Times*

Beyond Belief The Secret Gospel Of Thomas

H. H. Drake Williams

Beyond Belief The Secret Gospel Of Thomas:

Beyond Belief Elaine Pagels, 2004-05-04 In *Beyond Belief* renowned religion scholar Elaine Pagels continues her groundbreaking examination of the earliest Christian texts arguing for an ongoing assessment of faith and a questioning of religious orthodoxy Spurred on by personal tragedy and new scholarship from an international group of researchers Pagels returns to her investigation of the secret Gospel of Thomas and breathes new life into writings once thought heretical As she arrives at an ever deeper conviction in her own faith Pagels reveals how faith allows for a diversity of interpretations and that the rogue voices of Christianity encourage and sustain the recognition of the light within us all **Beyond Belief** Elaine H. Pagels, 2007

Beyond Belief: The Secret Gospel of Thomas E. Pagels, 2004-05-01 A History of the Quests for the Historical Jesus, Volume 2 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources *A History of the Quests for the Historical Jesus* not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

100 Opinions You Can Trust on Beyond Belief Ethan Peak, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of *Beyond Belief The Secret Gospel of Thomas* Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all **The Restored New Testament: A New Translation with Commentary, Including the Gnostic Gospels Thomas, Mary, and Judas** Willis Barnstone, 2009-09-22 From acclaimed scholar Willis Barnstone *The Restored New Testament* newly translated

from the Greek and informed by Semitic sources For the first time since the King James Version in 1611 Willis Barnstone has given us an amazing literary and historical version of the New Testament Barnstone preserves the original song of the Bible rendering a large part in poetry and the epic Revelation in incantatory blank verse This monumental translation is the first to restore the original Greek Aramaic and Hebrew names Markos for Mark Yeshua for Jesus thereby revealing the Greco Jewish identity of biblical people and places Citing historical and biblical scholarship he changes the sequence of texts and adds three seminal Gnostic gospels Each book has elegant introductions and is thoroughly annotated With its superlative writing and lyrical wisdom The Restored New Testament is a magnificent biblical translation for our age *Jesus Tried and True* H. H. Drake Williams,2013-01-11 Are the gospels found within the New Testament superior to others Has the church unfairly chosen Matthew Mark Luke and John while leaving out many others Are there truly lost Christianities that would enrich our understanding of Jesus Would modern day seekers as well as followers of Jesus be better served by including gospels outside of the New Testament in their understanding of Jesus *Jesus Tried and True* answers these questions by examining the date source and reception of the canonical gospels of Matthew Mark Luke and John and then comparing this data with the other gospels It assesses this information by looking within these gospels and also evaluating early church history examining the writings of early church writers such as Papias Ignatius of Antioch Justin Martyr Irenaeus and Eusebius It then compares these findings with the date source and reception of the non canonical gospels that have received the most attention lately such as the Gospel of Thomas Gospel of Mary Gospel of Judas Gospel of Philip and Gospel of Peter There is also a brief survey of thirteen of the most important non canonical gospels The survey provides an opinion on the dependence of these upon the gospels within the New Testament *Jesus Tried and True* affirms the superiority of the New Testament gospels It concludes by addressing whether non canonical gospels are lost Christianities and also whether the designation apocryphal is appropriate for other gospels *Jesus, Gnosis and Dogma* Riemer Roukema,2010-04-22 Roukema sets out to investigate and assess the various views of Jesus in early Christianity basing his approach on a distinction between historical and theological statements about Jesus **Breaking Through the Stained Glass Ceiling** Maureen Fiedler,2010-05-01 This collection of lively Q A interviews with key contemporary female religious leaders focuses not only on the discrimination faced by women in religion but documents the emerging leadership of women in several faith traditions **Expanding Scriptures: Lost and Found** Don MacGregor,2022-02-25 *Expanding Scriptures Lost and Found* is the second book in the Wisdom Series Don MacGregor considers what could be added to the Bible from rediscoveries of recent years supports a new role for Mary Magdalene and looks at how it can all be reframed within the Perennial Wisdom teachings **Jesus through Pagan Eyes** Mark Townsend,2025-05-23 For Pagans and Christians alike *Jesus Through Pagan Eyes* offers a provocative portrait of Jesus as a compassionate life affirming nature inspired spiritual teacher freed from the limiting ideology of the Church Rev Mark Townsend sets the stage by exploring the historical evidence of who Jesus was as a human being before delving into the

realm of metaphor and mythology the notion of Christ and the Church's conception of Jesus as Christ The heart of this unique book lies in the thoughtful and deeply moving collection of stories essays and interviews about Jesus from today's most respected Pagan Wiccan and Druidic leaders Contributors such as Maxine Sanders Christopher Penczak Janet Farrar Diana Paxson Philip Carr Gomm Oberon Zell Ravenheart John Michael Greer Selena Fox and Raven Grimassi explore the historical figure of Jesus in relation to Witchcraft the tarot goddess worship and shamanism while illustrating how this god of the Christian church blesses and inspires those who embrace non traditional spiritual paths Whether you envision Jesus as an ascended master a human teacher or a mythic god man this remarkable book will introduce you to a Jesus who fits fully into the Pagan imagination Praise Townsend uses Jesus to initiate dialogue and he does so in way that is accepting and inclusive of many understandings and interpretations of Jesus his purpose and his relevance or irrelevance in the religious practices of contemporary Pagans Huffington Post This work admirably promotes understanding between belief systems that have a sometimes uneasy relationship Publishers Weekly

Thomas, the Other Gospel Nicholas Perrin, 2007-06-14 Since its discovery in the mid 1940s the Gospel of Thomas has aroused the interest of scholars and general readers alike Thomas the Other Gospel provides a clear comprehensive nontechnical guide through the scholarly maze of issues surrounding the Coptic text Nicholas Perrin argues that the Gospel derives not from the era of Jesus or even the apostles but from the late second century CE Further contrary to what many scholars believe he maintains that the Gospel was originally written in Syriac rather than in Greek and he concludes that the real value of the Gospel of Thomas lies not in what it might be thought to say about the real Jesus but in what it tells us about early Christianity

The Gnostic Discoveries Marvin W. Meyer, 2005-11-08 On the 60th anniversary of the discovery of ancient Gnostic texts at Nag Hammadi a leading scholar explains the historical significance and continuing influence of these alternative views of Christianity suppressed by the early church

Crucified in the Media C. Marvin Pate, Sheryl Lynn Pate, 2005 Presents an evangelical perspective on the media's varied depictions of Jesus correcting misinformation examining the debates and defending the historic Christ

The Believer, 2003

Ultimate Things Greg Carey, 2005-12 Carey presents an introduction to the elements of apocalyptic discourse in the Hebrew Bible the intertestamental texts of the Apocrypha and Pseudepigrapha and the Jewish and Christian apocalyptic texts He seeks to help modern readers perplexed by the rampant and somewhat outrageous depiction and interpretation of apocalyptic literature to see apocalyptic discourse as a flexible set of resources that early Jews and Christians could employ for a variety of persuasive tasks Carey examines each of the literary works that exhibit apocalyptic discourse He briefly introduces the date and language of each text and shows its basic contents Then he examines the particular topics and purposes of the work Carey concludes by showing a way to read the particular example of apocalyptic discourse as a whole in its own setting with its own purposes Carey invokes discourse as a category of study in an attempt to bring together the literary ideological and social dimensions of apocalyptic language He sees the genius of apocalyptic

discourse in its ability to bring its audience into otherwise inaccessible mysteries concerning the future and the heavenly realms As theology apocalyptic discourse engages life s greatest questions the nature of God the desire for justice and the frustrations of human finitude As poetry it expresses the theological imagination in vivid symbols and conventional literary forms

The Gnostic Gospels Elaine Pagels,2004-06-29 Selected by the Modern Library as one of the 100 best nonfiction books of all time The Gnostic Gospels is a landmark study of the long buried roots of Christianity a work of luminous scholarship and wide popular appeal First published in 1979 to critical acclaim winning the National Book Award and the National Book Critics Circle Award The Gnostic Gospels has continued to grow in reputation and influence over the past two decades It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament In this spellbinding book renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today With insight and passion Pagels explores a remarkable range of recently discovered gospels including the Gospel of Thomas and the Gospel of Mary Magdalene to show how a variety of Christianities emerged at a time of extraordinary spiritual upheaval Some Christians questioned the need for clergy and church doctrine and taught that the divine could be discovered through spiritual search Many others like Buddhists and Hindus sought enlightenment and access to God within Such explorations raised questions Was the resurrection to be understood symbolically and not literally Was God to be envisioned only in masculine form or feminine as well Was martyrdom a necessary or worthy expression of faith These early Christians dared to ask questions that orthodox Christians later suppressed and their explorations led to profoundly different visions of Jesus and his message Brilliant provocative and stunning in its implications The Gnostic Gospels is a radical eloquent reconsideration of the origins of the Christian faith

Brigham Young University Studies Brigham Young University,2006 BYU Studies ,2006 A voice for the community of LDS scholars

Radical Religion Benjamin J. Pauli,2010-10-11 The political Left has had a turbulent relationship with religion from outright hostility to attempts to meld religious faith with progressivism Confronted with contemporary social ills the progressive Left continues to disagree about the role that religion should play whether in understanding social challenges and solutions or stimulating social critique and reform Radical Religion presents valuable insights from both religious and secular perspectives for progressives today as they struggle to formulate a coherent agenda and effective strategies for social change This book presents arguments from a diverse group of scholars and offers a snapshot of contemporary progressive thinking about religion
