

The background of the entire image is a photograph of a sunset over a beach. The sun is a bright, glowing orb in the upper right, casting a warm, golden light across the sky and the water. The horizon line is visible, separating the dark, calm sea from the lighter sky. In the foreground, the wet sand of the beach is visible, with several footprints leading from the bottom left towards the water. The overall mood is peaceful and contemplative.

Beyond Suffering Encountering Christ In The Book Of Job:

Beyond Suffering John Harries, 2014-11-14 If God is all powerful and all loving why do innocent people suffer This question is the principle reason why many claim they cannot believe in God Suffering is intensely personal exposing our vulnerability and making us fearful It is the prime motivation for prayer and when those prayers go unanswered we feel betrayed In this book the author John Harries explores our dilemma through the experience of Job whose struggle to find an explanation for his suffering has been specifically recorded to answer our deepest questions The revelations Job receives from God form the most complete and profound teaching on suffering ever written John Harries explores the close parallels between Job s story and the life of Jesus further showing that Job anticipates Christ and foresees in him our salvation He argues that through Job believers encounter Christ in his passion and discover afresh the gospel of redemption He offers a pastorally relevant explanation for righteous suffering encouraging a deeper awareness of God s presence a growing confidence in sharing our faith and a greater understanding of how to respond biblically to those who question why a loving God should allow suffering

Job Martin A. Shields, 2025-11-18 A new commentary for today s world The Story of God Bible Commentary

explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Three easy-to-use sections designed to help readers live out God's story: LISTEN to the Story (includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story), EXPLAIN the Story (explores and illuminates each text as embedded in its canonical and historical setting), LIVE the Story (reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students). Praise for SGBC: Pastors and lay people will welcome this new series which seeks to make the message of the Scriptures clear and to guide readers in appropriating biblical texts for life today. Daniel I. Block, Wheaton College and Graduate School: An extremely valuable and long overdue series that includes comment on the cultural context of the text, careful exegesis, and guidance on reading the whole Bible as a unity that testifies to Christ as our Savior and Lord. Graeme Goldsworthy, author of *According to Plan*: Engagingly readable, it not only explores the biblical text but offers a range of applications and interesting illustrations. Craig S. Keener, Asbury Theological Seminary: I love the SGBC series. It makes the text sing and helps us hear the story afresh. John Ortberg, Senior Pastor, Menlo Park Presbyterian Church: A perfect tool for helping every follower of Jesus to walk in the story that God is writing for them. Judy Douglass, Cru.

Beyond Easy Believism Gary R. Collins, 1982 *Our All-Sufficient God* Arletta A. Haggard, Carol Culp Robinson, 2014-04-07

OUR ALL-SUFFICIENT GOD *Beyond Suffering in the Book of Job* invites you to lift your eyes higher and higher. See not only the hand of God and what He does but also the face of God and His character as He reveals Himself in the book of Job. The authors take this often neglected and overlooked book of the Bible, separate it from its usual theme of suffering, and show the enduring truths of God's character. Is God in control over all? Is God just? Is God loving? Is God all-knowing and all-wise? Job and his friends grappled with these questions. Like them, what we believe about God shapes our interpretation of God's dealings with us and with others and determines our actions. In the midst of his suffering, all Job had was faith in his God. At times this God tested, enduring faith looked rough, crude, and raw, yet it endured. Through the experience, God revealed to Job and subsequently to us His attributes of sovereignty, providence, lovingkindness, justice, omniscience, and wisdom. This guided 13-week Bible study will help you appreciate God's worthiness to be loved, trusted, worshiped, and served in all circumstances. As you have a fresh encounter with the book of Job, you will be encouraged to develop character like Job's that pleases God. You will learn to speak rightly about God and to benefit from greater intimacy with Him when troubles come. While this guidebook takes care in the areas of hermeneutics and theology, it is also practical for Christian living and personal devotion. It includes a three-act play, background material, word studies, and weekly review questions. The first two lessons take the student through the entire book in an overview that gives the big picture and chronology of events. It is suitable for both individual

and group studies Lesson 3 addresses the circumstances surrounding Job's losses The student is asked to evaluate her own personal losses and her response to adversity in her own life and in the lives of others Lesson 4 identifies problems related to comforting those in grief The student will be challenged to assess her beliefs about God's role in suffering and prosperity She will develop biblical comforting skills Lesson 5 scrutinizes Job's lifestyle as a God-fearer The student will become sensitized to upholding God's reputation She will develop strategies for turning away from temptation and evil Lessons 6 through 8 highlight some of God's attributes that are displayed in the book of Job Lesson 6 focuses on God's sovereignty In studying Job's complaints against God's justice in Lesson 7 the student must consider the justification for any complaint of her own against God's justice Lesson 8 explores God's dealings with the wicked and the righteous Lesson 9 explores Job's response to suffering The student will learn how to respond to God's dealings by trusting Him Lesson 10 explains the continuity from the Old Testament through the New Testament of God's great salvation by faith in Jesus Christ The student will write an explanation of Old Testament and New Testament faith and will develop evangelism skills Lesson 11 gives Elihu's perspective on Job's suffering The student will learn principles for interpreting suffering from a God-centered perspective Through an assignment to interview a mature Christian who has endured troubles she will understand how she can know the Lord more deeply through troubles Lesson 12 relates God speaking to and restoring Job This enjoyable climax to Job's trials gives the student an opportunity to see God afresh and to identify how her thoughts have changed through studying the book of Job The Finale validates the God-centered intent of the study The section wraps up the answers to the four pivotal questions posed in the Preface that the student is to consider throughout the study
