

Survey of the Old Testament

BIOL 111

Course Description

In a world where critical knowledge and understanding of the Bible can be difficult to attain, this course acts as a tool to help individuals gain a "big picture" perspective of God's Word. In particular, this course will give students a glimpse as to how God has worked throughout history to initiate and carry out the plan of redemption for the human race, through His Son, Jesus Christ. Introductions to the Old and New Testament will be presented and a survey of each of the forty-six books will be conducted.

Rationale

The educational philosophy of LUCOA is based on a Christian worldview. This worldview can be best expressed by stating students explore and grasp biblical principles that have existed since God created the heavens and the earth. This survey course will give students a basic foundation on the writing, history, and standards as expressed in the Bible. This will center upon students as live in the world and able to defend their faith.

Prerequisite:

None

Biblical Integration Outcomes

Perpetual Scriptures in Nineteenth-Century America Jeff Smith, 2023-08-10 In the tumultuous decades of rapid expansion and change between the American Founding and the Civil War Americans confronted a cluster of overlapping crises whose common theme was the difficulty of finding authority in written texts The issue arose from several disruptive developments rising challenges to the traditional authority of the Bible in a society that was intensely Protestant persistent worries over America's lack of a national literature and an independent cultural identity and the slavery crisis which provoked tremendous struggles over clashing interpretations of the Declaration of Independence and the Constitution even as these parascriptures were rising to the status of a kind of quasi sacred secular canon At the same time but from the opposite direction new mass media were creating a new industrial scale print culture that put a premium on very non sacred disposable text mass produced news dispensed immediately and in huge quantities but meant only for the day or hour *Perpetual Scriptures in Nineteenth Century America* identifies key features of the writings careers and cultural politics of several prominent Americans as responses to this cluster of challenges In their varied attempts to vindicate the sacred and to merge the timeless with the urgent present Joseph Smith Ralph Waldo Emerson Margaret Fuller Theodore Parker Harriet Beecher Stowe Walt Whitman Frederick Douglass Martin Delany Abraham Lincoln and other religious and political leaders and men and women of letters helped define American literary culture as an ongoing quest for new bibles or what Emerson called a perpetual scripture

The Crimson Path Robert D. Finley, 2016-03-08 Have you ever wondered why John the Baptist introduced Jesus Christ as the Lamb of God Why not introduce Him as the promised heir to the throne of King David Why is a crimson path essential for the plan of redemption This book will answer these questions and take the reader on a journey through the ages This journey will reveal the foreshadows that foretell the redemptive mission of the Lamb of God In this exposition the foreshadows recorded in the Old Testament will be identified and the resemblance of each foreshadow will be correlated with the plan of fulfillment recorded in the New Testament

At Home with the Holocaust Lucas F. W. Wilson, 2025-03-11 *At Home with the Holocaust* examines the relationship between intergenerational trauma and domestic space focusing on how Holocaust survivors' homes became extensions of their traumatized psyches that their children inhabited Analyzing second and third generation Holocaust literature such as Art Spiegelman's *Maus* Jonathan Safran Foer's *Everything Is Illuminated* Sonia Pilcer's *The Holocaust Kid* and Elizabeth Rosner's *The Speed of Light* as well as oral histories of children of survivors Lucas F W Wilson's study reveals how the material conditions of survivor family homes along with household practices and belongings rendered these homes as spaces of traumatic transference As survivors' traumas became imbued in the very space of the domestic their homes functioned as material archives of their Holocaust pasts creating environments that not uncommonly second handedly wounded their children As survivor family homes were imaginatively transformed by survivors' children into the sites of their parents' traumas like concentration camps and ghettos their homes

catalyzed the transmission of these traumas Daniel in Babylon Mark T. Clark, 2025-02-04 Daniel lived an exemplary life of faith during historic political events He excelled at his job in exile while committing himself to God's kingdom purposes for his day Because he did he models how people may live exemplary lives of faith by committing themselves to God's kingdom purposes for their day even in these troubled political times In this book Clark reveals the nuances of Daniel's wisdom while living in exile He evaluates how Daniel appealed to increasingly higher political and celestial authorities throughout his time in office in two different empires the Babylonian and Persian Daniel's righteous living and wisdom in these five appeals reveal why he was considered highly esteemed in the kingdom of heaven In the final chapter Clark uses intelligence analysis methods to demonstrate the reliability of the authorship of the book of Daniel *Judgment and Salvation* Dustin G.

Burlet, 2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster Despite the picture of devastation that the narrative depicts the prominent emphasis of the text is on deliverance and redemption i.e. salvation not judgment The focus of the Genesis flood is acutely bent towards God's salvific rather than punitive purposes The arc of salvation within the flood narrative can be broken down into two main ideas Firstly God's intention for creation is not thwarted and secondly God commits himself to his intentions of creation God's intention for creation can be stated thus the establishment of order via covenant showing the sanctity of human life and the upholding of all life This involves in particular humanity as his image bearers including the lex talionis life for life principle

The Comprehensive Guide to Apologetics Joseph M. Holden, 2022-01-11 A must read for anyone who seeks to share the gospel and defend the faith Josh McDowell Crucial to the next generation of missionaries and apologetic evangelists Norman L Geisler In a postmodern post truth society how can we be certain our faith is based on more than our feelings And how do we answer the complex questions about Christianity posed by skeptics and searchers alike The Comprehensive Guide to Apologetics challenges you to understand and defend the tenets of your faith This informative resource covers topics spanning from the evidence for the Bible's reliability to the relationship between science and faith to the comparisons between Christianity and other worldviews The many contributors to this volume include respected apologists and Bible scholars such as Norman L Geisler Josh McDowell Gary R Habermas Walter C Kaiser Jr Ron Rhodes Edwin M Yamauchi John Warwick Montgomery William A Dembski Randy Alcorn Stephen C Meyer Randall Price Ed Hindson Essential reading for every Christian The Comprehensive Guide to Apologetics will equip you with the knowledge and confidence to testify for your faith with compassion intention and Christlike wisdom *An Analysis of the Inter-dependency of the Prominent Motifs Within the Book of Qohelet* Richard Alan Fuhr (Jr.), 2013 The key to a balanced and accurate understanding of the book of Ecclesiastes lies in the inter dependent relationships between the prominent motifs within the book An Analysis of the Inter Dependency of the Prominent Motifs Within the Book of Qohelet explores this dynamic The final outcome of such an approach is a wisdom based paradigm for living under the sun a wise man's approach to living in a fallen world Qohelet's conclusions are two fold

and balanced First in light of the fact that life is fleeting death is inevitable and one's future lies outside of the realm of human control the wise will enjoy life as a gift from God recognizing that joy is ultimately a responsibility and a mandate placed upon them Second in light of the fact that life is fleeting death is inevitable and God's enigmatic ways on earth are sure to be followed by an equitable future judgment the wise will fear God and keep his commandments Therefore the wise man or woman will enjoy life but not enjoy sin living each day to its fullest but in sobriety knowing that for all our actions there is a coming judgment This is the wisdom of Ecclesiastes *Catalog* Washburn University of Topeka,1915 Bulletin - University Number Syracuse University,1907 **National Union Catalog** ,1982 **Religious Books, 1876-1982** R.R.
