the Queen Finding Starwalker* Kerstin Peters, Henry Svensson, Calle Nyman, Betina Brandes, 2025-03-03 Kerstin Peters is as  
down to earth as you can get outside of her work as a writer she has spent her spare time investigating the invisible in our  
lives What brought her and the others on through the documentary was one of her true dreams which all warn her of what is  
to come A true analyst Henry Svensson spends most of his time in academia He is used to plowing through the pages of  
books which was an excellent starting point when mysteries needed to be solved for this book Calle Nyman is used to being  
on stage and bringing the audience along with his comedy so it was natural for him to be the one to make the first contact  
with people who would be part of what changed the trio forever The trio of writers like many others had been promised gold  
and green forests in the movement they had met and followed They got tired of waiting and said goodbye to what they had  
been part of But then Kerstin dreamt one of her true dreams this time with content that again piqued their interest The  
dream provided new clues that could have filled a whole book of sect revelations but more and more they realized that this is  
much bigger than that We follow the trio through discovery after discovery reading about when they meet famous characters  
from Channie West s diaries and when they meet people who have genuine extraterrestrial contacts We also get to sit in on  
classes where they get to experience what it s like to meet beings from another world And most memorably the long awaited  
trip into space which involved everything but packing for a simple picnic It took the trio several years to get from start to  
finish and when they felt ready they brought in someone to help check the facts they had gathered It was Betina Brandes who  
undertook to find and interview people who could verify or reject what the colorful characters had given them She has a good  
insight into much of the book s content herself which made her a good outside critic and she was also responsible for  
translating the documentary Reading this 600 page book is like watching a well researched exciting documentary It is so  
easy to follow even though it is incredibly fact packed because it is lightened by the humor and you are driven by the  
mysteries     *The Interior* , 1919 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement     *The Christian
