Koenig, 2018-11-15 A portrait of a biblical woman seen through the centuries as everything from adviser to temptress to victim Bathsheba is a mysterious and enigmatic figure who appears in only seventy six verses of the Bible and whose story is riddled with gaps But this seemingly minor female character who plays a critical role in King David s story has survived through the ages and her afterlife in the history of interpretation is rich and extensive In *Bathsheba Survives* Sara M Koenig traces Bathsheba s reception throughout history and in various genres demonstrating how she has been characterized on the spectrum from helpless victim to unscrupulous seductress Early Jewish interpretations Koenig argues highlight Bathsheba s role as Solomon s mother and adviser while texts from the patristic era view her as a type of sinful flesh of the law or of the gentile church Works from the medieval period depict Bathsheba as a seductress who wants to tempt David with art embellishing her nudity while reformers such as Luther and Calvin treated Bathsheba in a generally critical light as indiscreet and perhaps even devious During the Enlightenment period Koenig claims Bathsheba was most frequently discussed in commentaries that used historical critical methods to explain her character and her actions Koenig then demonstrates how Bathsheba is understood in today s popular media as both seductress and victim being featured in novels films and in music from such artists as Leonard Cohen and Sting The minor enigmatic biblical character Bathsheba Koenig writes has survived through time by those who have received her and spoken about her in varying ways Though she disappears from the biblical text she resurfaces in thought and study and will continue to survive in the centuries to come **Absolute Beginner's Guide to the Bible** Tom Head, 2006 The *Absolute Beginner s Guide to the Bible* introduces you to the bestselling and most influential book ever published The Bible is the core document of Western civilization the pinnacle of world literature and the backbone of three major world religions To know the Bible is to know the world and many say to know much more than the world Yet those interested in learning more about this important work discover a surprising paradox It is both widely discussed and widely ignored The Bible is a formidable book and many people love it from a comfortable distance but don t want to get too close The *Absolute Beginner s Guide to the Bible* will help you close that distance and experience the Bible as it should be experienced as a vibrant living and vital collection of texts that are just as inspiring and full of life today as they were thousands of years ago Get ready to feel like an expert right away Inside *The Absolute Beginner s Guide to the Bible* you ll learn how to Find a translation or study Bible that s perfect for you Interpret difficult Bible passages taking into account their literary features and historical context Appreciate the Bible s breadth As a literary work it includes poetry philosophy folk tales history theology religious law and even erotica Understand the Hebrew Bible Old Testament as the deeply Jewish document that it is and learn the approaches that rabbis have traditionally used to interpret scripture Recognize the courageous missionary spirit behind the New Testament a collection of documents secret and illegal at the time that would later shape the faith of billions **Bible Review** ,2003 **Resources in Education** ,1980 Serves as an index to Eric reports microform **Bowker's Complete**
