Free at Last Tony Evans, 2009-01-01. This reader says it best: Tony Evans explores the problem of Christians who continue to sin and who do not fully utilize the freedom they have received in Christ. He compares Satan to a plantation owner who knows that legally his slaves have been freed but who tries to convince them that they'll never make it in this world without him. He says that sometimes we need to make it to rock bottom before we realize that Christ IS the Rock at the bottom. This is a very inspiring and encouraging book both for those who have not confessed Christ and for those who have been Christians for many years.

The 2:7 Series Navigators (Religious organization), 1982 **The Cumulative Book Index**, 1959 Our Catholic Faith - Teacher's Manual Michael Pennock, 2005-11. This Teacher's Wraparound Edition (TWE) includes the pages of the Student Text in reduced size with lessons wrapped around the margins of those pages. In the bottom gutter, additional resources for the teacher are included.

The American Lawyer, 1903 *Subject Guide to Books in Print*, 1971 The Sacraments, Grades 11-12 Michael Pennock, 1993-03. Written in accord with the Catechism of the Catholic Church and rooted in the sound catechetical principles of the National Catechetical Directory, these texts present a well-defined curriculum model that stresses clear objectives, careful organization and creative methods and evaluation procedures to check the attainment of goals. Very flexible, allowing teachers to select materials to highlight and stress, each text can be implemented on various grade levels for a quarter, a semester or a full year, depending on the length and frequency of class meetings. This text begins with a discussion of the wonders of God's love in such things as creation, the incarnation, forgiveness and salvation, followed by a call to respond to this love through faith and loving service. A chapter on signs, symbols and sacraments gives a solid foundation for understanding Catholic sacramental theology. This prepares the way for a discussion of each of the seven sacraments that covers the historical developments, the way the sacrament is celebrated today and the ways students can live the reality of each of the sacraments in their lives.
