Biblical Quiz On Psalms 104:

Biblical Mysteries Revealed Harold Lerch, 2025-12-10 Today so called experts on television documentaries cannot understand simple biblical problems They question where all the water would go after a global flood and they assert that there is no evidence for a global flood They ask how the Ark of the Covenant could cause the walls of Jericho to fall down Numerous biblical accounts present challenges for modern readers seeking scientific understanding or interpretation However our current understanding does not fully explain how early civilizations achieved feats such as constructing the pyramids of Egypt building Stonehenge or establishing extensive urban centers in South America How then can we comprehend the actions of a supernatural God The answers are found in the Bible For example the Ark of the Covenant did not possess power it merely represented the omnipotence of our supernatural God This book provides explanations for challenging questions
