Biblical Time Management:

Tools for Time Management Edward R. Dayton, 1983 **Redeeming Your Time** Jordan Raynor, 2021-10-19 Manage your time the way Jesus managed his with a biblical antidote to swamped to do lists and hurried schedules A highly practical road map Mark Batterson New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work life balance the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach The reason for our struggle is that productivity and time management systems focus on individual habits rather than more meaningful and lasting lifestyle changes But as it turns out there is a better way to reach our full potential We don't need just another approach to changing our habits What we need is an operating system that takes into account the full scope of our lives In these pages bestselling author Jordan Raynor presents this system using seven powerful time management principles drawn from the example of how Jesus lived

- 1 Start with the Word Find meaningful connection with the author of time daily
- 2 Let Your Yes Be Yes Accept only the commitments you can fulfill
- 3 Dissent from the Kingdom of Noise Create room for silence stillness and reflection
- 4 Prioritize Your Yeses Confidently maintain your commitments
- 5 Accept Your Unipresence Focus on one important thing at a time
- 6 Embrace Productive Rest Live the God designed rhythms of rest which are productive for our goals and souls
- 7 Eliminate All Hurry Embrace productive busyness while ruthlessly eliminating hurry from our lives

With these principles you'll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today More than that you'll discover corresponding practices that will help you embrace the best most Christlike version of yourself possible purposeful present and wildly productive

Fink,2017-04-17 Today we have many ways of defining

success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you
