## **Biblical Perspective On Archaeology And History A Case Study:**

**The Biblical World** Katharine J. Dell, 2021-07-29 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible This new edition is updated with several new chapters as well as a new section on biblical interpretation Contributions from leading scholars in the field present wide ranging views not just of biblical materials and their literary and linguistic context but also of the social institutions history and archaeology and religious concepts New chapters cover topics such as the priesthood and festivals creation and covenant ethics and family life while a new section on biblical interpretation discusses Jewish and Christian bible translation and key thematic emphases and modern reader response and cultural approaches This revised edition of The Biblical World offers an up to date and thorough survey of the Bible and its world and will continue to be an invaluable resource for students and scholars of the Hebrew Bible and New Testament and their history and interpretation as well as anyone working on the societies religions and political and cultural institutions that created and influenced these texts

**The Origin of Israelite Zion Theology** Antti Laato, 2018-08-23 In this examination of Zion theology and how it arises in the book of Psalms Antti Laato s starting point is that the Hebrew Bible is the product of the exilic and postexilic times which nonetheless contains older traditions that have played a significant role in the development of the text Laato seeks out these older mythical traditions related to Zion using a comparative methodology and looking at Biblical traditions alongside Ugaritic texts and other ancient Near Eastern material As such Laato provides a historical background for Zion theology which he can apply more broadly to the Psalms In addition Laato argues that Zion related theology in the Psalms is closely related to two events recounted in the Hebrew Bible First the architectural details of the Temple of Solomon 1 Kings 6 7 which can be compared with older mythical Zion related traditions Second the religious traditions related to the reigns of David and Solomon such as the Ark Narrative which ends with David s transfer of the Ark to Jerusalem 2 Sam 6 From this Laato builds an argument for a possible setting in Jerusalem at the time of David and Solomon for the Zion theology that emerges in the Psalms

**One God - One Cult - One Nation** Reinhard G. Kratz, Hermann Spieckermann, 2010-09-27 Recent archaeological and biblical research challenges the traditional view of the history of ancient Israel This book presents the latest findings of both academic disciplines regarding the United Monarchy of David and Solomon One Nation and the cult reform under Josiah One Cult raising the issue of fact versus fiction The political and cultural interrelations in the Near East are illustrated on the example of the ancient city of Beth She an Scythopolis and are discussed as to their significance for the transformation in the conception of God One God The volume contains 17 contributions by internationally eminent scholars from Israel Finland and Germany

**The Village in Antiquity and the Rise of Early Christianity** Alan Cadwallader, James R. Harrison, Angela Standhartinger, L. L. Welborn, 2023-12-28 A complete geographical and thematic overview of the village in antiquity and its role in the rise of Christianity The volume begins with a state of question introduction by Thomas Robinson assessing the interrelation of the village and city with the rise of

early Christianity Alan Cadwallader then articulates a methodology for future New Testament studies on this topic employing a series of case studies to illustrate the methodological issues raised From there contributors explore three areas of village life in different geographical areas by means of a series of studies written by experts in each discipline They discuss the ancient near east Egypt and Israel mainland and Isthmian Greece Asia Minor and the Italian Peninsula This geographic focus sheds light upon the villages associated with the biblical cities Israel Corinth Galatia Ephesus Philippi Thessalonica Rome including potential insights into the rural nature of the churches located there A final section of thematic studies explores central issues of local village life indigenous and imperial cults funerary culture and agricultural and economic life

The “God of Israel” in History and Tradition Michael J. Stahl, 2021-03-22 In The God of Israel in History and Tradition Michael Stahl provides a foundational study of the formulaic title god of Israel *elohe yisra el* in the Hebrew Bible Employing critical theory on social power and identity and through close literary and historical analysis Dr Stahl shows how the epithet god of Israel evolved to serve different social and political agendas throughout the course of ancient Israel and Judah s histories Reaching beyond the field of Biblical Studies Dr Stahl s treatment of the historical and ideological significances of the title god of Israel in the Hebrew Bible offers a fruitful case study into the larger issue of the ways in which religion may shape and be shaped by social and political structures

**A.L.A. Catalog, 1926** Isabella Mitchell Cooper, Marion Horton, 1926 The Archaeology of Society in the Holy Land Thomas Evan Levy, 1998 This comprehensive and highly illustrated study explores the human history in the Holy Land from the earliest prehistoric hominids through the biblical and historical periods up to the twentieth century Chronologically organized each chapter outlines the major cultural transitions which occurred in a given archaeological period and provides a review of the most recent research concerning settlement patterns innovations and technology religion and ideology and social organization

**Historical Evidence and Argument** David Henige, 2005-09-19 Historians know about the past because they examine the evidence But what exactly is evidence how do historians know what it means and how can we trust them to get it right Historian David Henige tackles such questions of historical reliability head on in his skeptical unsparing and acerbically witty *Historical Evidence and Argument* Systematic doubt is his watchword and he practices what he preaches through a variety of insightful assessments of historical controversies for example over the dating of artifacts and

the textual analysis of translated documents Skepticism Henige contends forces us to recognize the limits of our knowledge but is also a positive force that stimulates new scholarship to counter it      *Comprehensive Dissertation Index* ,1989
