EXCERPT

After a few glasses of champagne, I quickly became comfortable, and I also realized that if this is the good life, I didn't want to go back. We spoke about everything from current events and work to family life before my intrigue took over. So Mark, to what pleasure do I owe this meeting? He took a sip of his champagne and smiled before speaking. Well, you were a handpicked hire by me, he said. I smiled, trying to conceal my surprise. I want you to enjoy your job and get what you need out of it, so I won't interfere with that. You just seemed interesting and look amazing, so what better way to spend a Sunday afternoon than with a beautiful woman? Wow. This I could totally get used to. I had dated enough losers in the past that I wasn't opposed at all to mixing and mingling with a winner. Before I could say a word, Mark leaned in and planted his lips against mine. I loved the way his lips felt pressed against my plush pink lips, and I reached up and touched my hand to his smoothly shaven face while massaging his tongue with my own. Chick on the Side

Vanessa is a sex kitten that is caught up in a spicy affair with Trevor, a married business man. While his wife is a nagging prude who treats him like a child, Vanessa is a professional herself and a sexually liberated free thinker who still knows how to tap into a man's desires. She just got out of a relationship, so isn't looking for anything serious. Their affair is taken to the next level when Vanessa gets an e-mail from Trevor letting her know that he purchased a flight and a hotel in Hawaii. Vanessa jumps at the chance and checks in early to surprise Tyler in Hawaii with her sexiest lingerie. They taste and sex each other up in the most passionate positions and enjoy each other's bodies far away from the monotony and stress of the real world.

EXCERPT

My flight landed shortly ahead of schedule. Trevor told me I could call him when I touched down, but I decided to grab a cab instead. The resort wasn't far from the airport, and I made my own money anyway, so it was no big deal for me to drop some cash to look out for myself. The process of checking in was pretty easy. The room was already in Trevor's name, so all I had to do was tell them who I was, and they handed me a key. He had given them a heads up, and even told them my flight information, so it was smooth sailing. The receptionist told me that the conference being held here, so Travis would be tied up for a while, but the room had been cleaned for the day, and I was also welcome to enjoy the resort for a bit. Perfect. I was glad that I got here early so that I can take a shower and change into another set of lingerie that I had purchased. When I got up to the room, I dropped out of my clothes, lit an incense stick, and began getting into the island mood. After a nice hot shower to knock off the travel rust, I was ready to be taken.
