

PSY 150: Final Exam Study Guide

How to use this study guide: This study guide is designed as a tool to help you prep for the exam. It is not all-encompassing, meaning not all components of the exam are on this guide. The study guide is not a substitute for reading. It is best to read a chapter, take notes, and refer to the study guide as you're taking notes. Many questions on the exam are applied knowledge, some are fact-based. While it's helpful to know definitions of terms, you must also demonstrate the ability to apply your comprehension of the subject matter to a scenario. If you have questions or need clarification as you go through the guide, please email your instructor. I wish you success!
